PRIVATE DONOR SCHOLARSHIPS

DESCRIPTIONS | 2017-2018

Below are designated scholarships funded by generous friends of Trinity Bible College. If the donor requires the recipient to be a specific grade level, you may apply for the scholarship if you will be at that grade level after completing the Spring 2017 semester. If the scholarship requires the recipient to be a married student, the student must be married at the time of application. **Please note specific requirements for each.**

The availability of these scholarships is based upon funding by the donors. You are only eligible to apply for these scholarships if you will be a full-time student at Trinity for the 2017-2018 school year. If you graduate in December 2017 and receive a scholarship, you will be awarded half of the amount.

Deadline for application and reference letters to Financial Aid Office is April 1st, 2017.
