

DE Authorization Form
Certificate of Ministerial Studies Program

Trinity Bible College and Graduate School's Certificate of Ministerial Training offers three certificates which fulfill all the educational requirements for certification, licensing, or ordination in the Assemblies of God. This special, discounted program is offered only to individuals who are active members in a local Assemblies of God congregation or are in a relationship with an AG district office, and are seeking ministerial credentials through their district.

Before applying for enrollment in the certificate program, students need to be interviewed by the Distance Education office to verify they qualify and discuss program requirements and course loads. Please fill out this form and send it to trinityde@trinitybiblecollege.edu. Once received, the DE office will contact you for a phone interview.

Name: _____
