Annual Report Form CF-2: Completions by Time and Race

Previous academic year (including any summer graduates)

Member School: Trinity Graduate School at Trinity Bible College	**Survey Year:** 2024 - 2025

Legend: Total rows/columns are auto calculated and visually indicated with blue stripes in the online application and light blue shading in the print forms. Non-approved degree categories, those for which the member school does not have an ATS-approved degree, are visually indicated with a yellow zig-zag pattern in the online application and gray shading in the print forms. Report data for non-approved degrees where applicable and provide an explanation in the form comments.

Completions: Count how many students in each category completed their degree in the previous academic year (including those who completed their degree requirements in the summer).

Unduplicated Headcount: Count students only once. If students completed more than one degree, count them only in the longer or more advanced program.

Degree Categories: The 2020 *Standards of Accreditation* (Standards 4.6-9) describe three categories of MA degrees: those that focus primarily on professional vocations (prof), those that focus primarily on academic study (acad), and those that focus on both (both). Canadian schools offering the BRE for which a completed bachelor's degree is normally required should report those students under MA (prof). "Other Prof Dr" refers to degrees like the EdD, DMiss, DMA, etc. (see Standards 5.-7-10 of 2020 *Standards of Accreditation*).

Race/Ethnicity Categories: The categories of race used in this form (and in other ATS Annual Report Forms) correspond to recent research, with input from ATS members. Report as Multiracial for students whose race/ethnicity includes more than one category. Report as Not Available for students who prefer not to disclose such data, race/ethnicity is not listed, or no racial data is known.
