## Board of Trustees

The Board of Trustees is the steward of the physical resources, the intellectual climate, human relationships, and spiritual resources of Trinity Bible College and Graduate School. We are blessed to have men and women committed to the mission of Trinity. Trinity Bible College and Graduate School Board of Trustees meets twice annually to conduct essential college business. Current members include the following:

Dr. Paul R. Alexander, TBC President  
Rev. Stephen Schaible Chairman  
Rev. Gary Pilcher, Vice Chair  
Mr. Gary Riffe, Secretary  
Rev. Sam Johnson, Member-at-Large  
Rev. David Bauchspiess  
Rev. Denny Curran  
Mr. Kevin Gunion  
Rev. Larry Hale  
Rev. Greg Hickle  
Rev. Sam Johnson  
Rev. Daniel Krause  
Rev. Larry Liebe  
Mr. Si Liechty  
Rev. Aaron Phoenix  
Rev. Alan Schaberg  
Rev. Toby Schneckloth  
Rev. Phil Schneider  
Mr. Sonny Schriner, Jr.  
Rev. Cliff Sheldon  
Rev. Josh Skjoldal  
Rev. Winston Titus  
Rev. Wesley Vagle  
Rev. Alan Warneke  
Rev. Greg Washington  
Mr. Wes Well

## Summer Term 2019

---

Residential May Term	May 6-24, 2019
Final Grades Due	Fri, May 31, 2019
Summer Distance Education	May 6 – June 28, 2019
Final Grades Due	Wed, July 10, 2019

## Greetings from President Alexander

Greetings,

You are reading what could be one of the most influential documents in your life. This catalog not only represents courses and college details, but rather an important part of you discovering your future, your career, and the very best in God's plans for you.

In this catalog you will find all the information you need about a possible college career at Trinity Bible College and Graduate School. This is, of course, important and I hope you will find that our course offerings, our highly trained faculty and our very motivated staff will encourage you to enroll at this great college.

But, I hope you will discover much more. I hope you will have a sense of God's plan for you and of His desire to use you in the future. I hope you will sense that Trinity represents a committed community of Christ-following people who have your best in their hearts. The courses, the academic rigor, and quality and the facilities offered by Trinity are important, and we work hard at giving our students the best. But, we are also determined to offer an environment of care and concern where you become the person you were born to be and grow in your knowledge of God, life, yourself and the amazing world that you live in.

So, read carefully, contact us if you have any questions and I hope that we will soon be welcoming you as a student at Trinity. My wife Carol and I, along with our great team of faculty and staff, pray with you as you make vital decisions regarding your future.

Sincerely, in Christ,

Paul R. Alexander, PhD  
President

# Heritage

## Introduction

Since 1948, the vision of Trinity Bible College and Graduate School continues to this day as we prepare men and women for the global church through equipping leaders and mobilizing Christ-followers.

Trinity continues to develop its role as a leading Pentecostal Bible college in the United States and beyond. We are preparing students to be effective, skilled individuals serving in contemporary culture.

Recognizing the diverse world in which we live, we embrace the Christian Gospel as the fundamental framework for life by training and encouraging our students to authentically serve Jesus Christ.

## History

Trinity was founded in 1948, with the vision of Rev. L.E. Englar, Rev. G.L. Riffe, and Rev. W.H. Kesler. They planted a dream in the North Dakota District Council of the Assemblies of God and together, they brought the college into existence.

The first classes started at Devils Lake, North Dakota, as Lakewood Park Bible School. The school year officially commenced on October 18, 1948, with classes starting at the close of the fall harvest and ending at spring planting time. The enrollment consisted of 18 students.

From 1948 until 1960, the school grew until the Lakewood Park facilities could no longer accommodate the students. At that time the Assemblies of God church in Aberdeen, South Dakota had recently constructed a new building, and offered the use of this facility to the Bible school.

In the fall of 1960, the move was made from Devils Lake to Aberdeen, and the school's name was changed to Hub City Bible Institute. God continued to bless the school and enrollment steadily increased.

This growth spurred the need to again find larger facilities. The former Trinity Hospital building in Jamestown, North Dakota, became available, and the school moved there in the fall of 1967 where its name was changed to Trinity Bible Institute.

The University of North Dakota, Ellendale Branch, closed and the property became available in 1972. Trinity Bible Institute was able to acquire its current campus at the cost of \$1.00. The school's name was changed in 1983 to Trinity Bible College. After the addition of a graduate program in 2014, TBC changed its name to Trinity Bible College and Graduate School in 2016.

## Campus

Renovation is the operative word on campus. Trinity Bible College and Graduate School is located on a beautiful 28-acre campus on the east side of Ellendale, North Dakota. Revitalization of the school is bringing new life to the campus and the community.

Transformation of the historic Davidson/Dakota Hall to become the Administrative Building is in full swing and should be completed in the not too distant future. It will house the offices of: The President, Academics, Finance, Advancement, Graduate Studies, and faculty. The elegant President's House is complete and the reformation of the Armory has already begun. The old administration/industrial arts building has been torn down and a beautiful

Prayer Chapel with lecture halls are in place. Included in the 13,000 square foot Prayer Chapel is an atrium, water feature, ornate stained glass windows and much more.

Other notable buildings include the Fern and Jon Liechty Fitness Center, the Student Life Center, Block Memorial Chapel, and the Ray Ulmer Field House.

Ellendale is located in southeastern North Dakota, an hour south of Jamestown, ND, and 40 minutes north of Aberdeen, SD, on U.S. Highway 281. Ellendale is a friendly, virtually crime-free community. It is an ideal place for faculty and married students to live and raise their families. A number of churches help meet the community's spiritual needs. Students may find employment in the city's stores, restaurants, banks, grain elevator, clinics, dental office, motels, nursing home, and other businesses, as well as on campus.

# General Information

## Beliefs

Trinity Bible College and Graduate School subscribes to the “Statement of Fundamental Truths” of the Assemblies of God (<https://ag.org/Beliefs/Statement-of-Fundamental-Truths>).

## Mission Statement

Trinity Bible College and Graduate School is committed to train and educate people with theological reflection and missional passion, in order that people and communities everywhere will hear the Good News of Jesus and see His love demonstrated.

## Vision

Over the coming years, Trinity Bible College and Graduate School will continue to develop its role as a leading Pentecostal Bible college in the USA and beyond. We will champion the cause of raising and training well-equipped leaders and prepare our students to be effective, skilled individuals fitted for service in today’s world. We will emphasize lifelong learning, spiritual vitality and life skills, ensuring that our graduates make a Christ-centered contribution to the communities in which they live and work.

We will always take seriously the diverse world in which we live. From the view that accepts the Christian Gospel as the fundamental undergirding for life, we will ensure that our students are trained and encouraged to serve Jesus Christ authentically while handling complexity and diversity effectively.

We will seek to pioneer the development of innovative training, scholarly understanding, and critical awareness in order to prepare people to plant churches, enter cross-cultural ministry or the workplace in such a way as to build churches and communities that truly show the life changing power of Jesus Christ.

We will be adaptive to changes in our society and culture by ensuring the development of talented, highly skilled, and motivated staff, effective governance, management and leadership. We will achieve this through the provision of well-resourced facilities and a commitment to network in an unthreatened way with churches and institutions that share our vision for a better world through the sending and placing of well-trained Christian leaders.

## Priorities

Decisions, strategies, and staffing at Trinity Bible College and Graduate School will always be within the framework of the following priorities:

All within Trinity will consistently be encouraged to be extravagant worshippers of God, loving life, loving people, and loving God.

It is a priority that we inspire men and women to believe that the local church represents God’s plan of bringing hope to the world and that we should all be positive participants in the growth of local churches.

We will seek to create an environment that challenges us to embrace God’s world with love resulting in God being made known everywhere through works of goodness, the relevant communication of the Gospel, and effective networking.

**Accreditation Statement**

Trinity Bible College and Graduate School is accredited by the Association of Biblical Higher Education (ABHE) in Good Standing. ABHE is an institutional accrediting body recognized by the Council for Higher Education Accreditation and is listed in the Directory of Higher Education published by the US Department of Education.

**Approval**

Trinity Bible College and Graduate School is approved and authorized by the State of North Dakota to award Associate, Bachelor, and Graduate degrees.

Trinity Bible College and Graduate School programs are approved for the training of veterans, war orphans, and dependents of veterans with the Department of Veterans Affairs.

Trinity Bible College and Graduate School is approved by the United States Department of Homeland Security (ICE/SEVIS) for the training of foreign students.

Trinity Bible College and Graduate School is approved by the State Department of Vocational Rehabilitation for the training of students with disabilities.

**Endorsements**

Trinity Bible College and Graduate School is endorsed by the Alliance for Assemblies of God Higher Education.

**Professional Memberships**

American Association for Employment in Education  
American Association of Collegiate Registrars and Admissions Officers  
American Library Association (ALA)  
Association of Business Administrators of Christian Colleges (ABACC)  
Association of Christian Librarians (ACL)  
Association of Christian Schools International  
Association of Christians in Student Development  
National Association of Christian College Admissions Personnel  
National Association of Student Financial Aid Administrators  
North Dakota Association of Student Financial Aid Administrators  
North Dakota Association of Collegiate Registrars and Admissions Officers  
North Dakota Library Association  
Online Dakota Information Network (ODIN)  
Rocky Mountain Association of Student Financial Aid Administrators  
Upper Midwest Association of Collegiate Registrars and Admissions Officers

**Alumni Association**

Membership in this organization is open to those who have completed one quarter (older catalogs) or one semester from Trinity Bible College and Graduate School, Trinity Bible College, Trinity Bible Institute, Hub City Bible Institute, and Lakewood Park Bible School. Honorary membership is available for any member or former member of the Board of Directors, current or former faculty, or the spouse of any member, associate member, or honorary member.

New graduates are received as alumnus following their graduation ceremony.

Trinity Alumni Association members should show an active faith in the Lord Jesus Christ. It is the purpose of association members to be a source of strength and encouragement to one another and to further the kingdom of God through their financial support of Trinity Bible College and Graduate School.

# Community Life

## Athletics

Physical fitness is considered an integral part of the preparation of the whole person. Trinity offers intercollegiate and intramural athletic opportunities, along with physical education courses.

The purpose of all of Trinity's athletic programs is to represent Christ through athletic competition as well as through ministry in churches or other opportunities for Christian service. Trinity competes as a member of the National Christian College Athletic Association (NCCAA) in men's football, basketball, and women's volleyball and basketball. Both men's and women's basketball teams compete in the Northern Intercollegiate Athletic conference (NIAC).

## Bookstore

The bookstore is located in the Student Life Center concourse. It stocks textbooks, Bibles, Christian books, stationary, music, Trinity apparel, and school supplies, as well amenities and snacks.

## Campus Dress Code

As Christians, appropriateness, neatness, modesty, cleanliness, and propriety should characterize our clothing.

## Chapel

Campus activity is built around chapel services. Chapel services are held four times per week. Students are required to attend chapel services, which provide them with an opportunity for Pentecostal worship and inspiration. Guest speakers include: business leaders, pastors, educators, church leaders, missionaries, faculty members, and students. They preach from the Word of God with an emphasis on following Christ passionately for a lifetime of service, regardless of vocation.

Students gain valuable experience through participation in chapel services. Time is allotted for personal and corporate prayer. Emphasis is placed upon learning to respond to the leading of the Holy Spirit.

Chapel attendance is taken daily. A grade of "S" (Satisfactory) or "U" (unsatisfactory) is given each semester. Students are required to attend and unsatisfactory grades for chapel can hinder graduation requirements and should be taken seriously. Full Time students (12 credits or more) are expected to attend every chapel. Absences in excess of 16 per semester will result in a U. Part Time students (less than 12 credits) must attend at least twice a week and must designate with student life what days they will attend. Absences in excess of 8 per semester will result in a U.

Students are encouraged to develop a consistent devotional life of prayer and Bible study.

## **Church**

Assembly of God churches and churches of other denominations are located in the Ellendale area. Students are encouraged to regularly attend the church of their choice.

## **Food Service**

Students living in residence halls are required to participate in the college meal program. This consists of three meals per day, Monday through Friday, and two meals per day, Saturday and Sunday.

## **Health Services**

Major health problems are referred to local physicians. The city of Ellendale has two fully staffed and equipped clinics. Health insurance for students is mandatory for all student athletes. Please contact athletic department to learn requirements for athletic health insurance.

## **Housing**

Single students under the age of 23 are required to live in residence halls. Students who are over the age of 21 and have attended two full semesters of college may apply to live off-campus if they meet the requirements identified in the Student Handbook. Students over the age of 25 must receive special permission from the Student Life Office to live in the dorms.

Residence Halls are furnished, but students must bring their own bed linens. The following is a suggested minimal list: 2 sets of single bed linens, 2 blankets, 1 bedspread, 1 pillow, 4 towels and washcloths, and clothes hangers. Curtains are provided. All rooms are furnished with internet access.

Pets are not allowed in any college-owned housing. Hunting equipment must be checked in with the resident director of each resident hall.

## **Library**

The Fred J. Graham Library houses over 85,000 volumes and provides traditional study facilities with seating for approximately 100 patrons. Fifty-eight online licensed databases include 28 periodical databases with thousands of full-text articles, three newspaper databases, and 11,856 e-books. The library is automated for circulation, cataloging and interlibrary loans, and includes an online web-based catalog. ODIN (Online Dakota Information Network), our statewide collection sharing consortium, gives the college access to the collections of 77 university, private college, public, K-12, medical, special and state agency libraries across the state of North Dakota.

Because the library is a member of ODIN (state) and MINITEX (regional) consortiums, patrons have potential access to more the 50 million items through interlibrary loan. The library provides internet accessible computer stations for student and public use with printer access.

## **Lifestyle**

Students, faculty, and staff are all actively involved in a mutual effort to build and maintain a Christian community where the development of Christian maturity is both possible and encouraged. Each person's life should reflect biblical character as empowered by the Holy Spirit. Trinity Bible College and Graduate School has, therefore, adopted both general and specific standards that express this lifestyle. More specific details of community life expectations are published in the Student Life Handbook and in the Human Resources office.

## **Placement Service**

While not guaranteeing placement upon graduation, Trinity assists alumni and students seeking a place of employment. A list of available positions is posted for students to access. Interviews with visiting pastors, superintendents, and potential employers are frequently arranged on campus. The placement service operates out of the Student Ministries office. Students should contact individual district offices to determine requirements for obtaining ministerial credentials.

## **Post Office**

Students, including off-campus students, are assigned a campus post office box. The campus post office is also a UPS and Federal Express pickup and delivery point. Mail should be addressed as follows:

Student Name  
50 6th Avenue S # (will be assigned)  
Ellendale, ND 58436-7105

## **Student Ministries**

Student Ministries is a vital part of the academic program. Its purpose is to provide a meaningful integration of classroom instruction and practical experience.

## **Objectives**

Upon successful completion of the Student Ministries program, students should be able to:

- Serve God by demonstrating love for Christ through active service and by giving evidence of a growing relationship with Christ.
- Serve others by actively taking the full gospel message to the world.

- Serve the Church by learning to work cooperatively with pastors in ministering to the needs within the local church body.
- Develop individual ministry skills and spiritual gifts through actual service.
- Apply academic knowledge to practical ministry situations through supervised field experiences.

### **Requirements**

Students enrolled in six or more traditional credits in a semester are required to be actively involved in student ministry. They are required to make a semester-long commitment to one or more ministries at the beginning of each semester and to faithfully complete the assignments. Timely submission of paperwork is necessary to receive a successful grade. An unsatisfactory grade must be corrected and will affect graduation.

Furthermore, students are also required to participate in one of the approved GO Trips for each academic year in which they are enrolled. These trips are organized and led by Trinity faculty and are designed for students to engage in ministry in a cross-cultural context and, depending on the trip, may be taken for academic credit toward their degree. A list of approved trips will be available from Student Ministries.

Students must fulfill the requirements of the program as outlined in the Student Life Handbook. Questions pertaining to student ministry requirements should be referred to the student ministries office.

### **Opportunities**

Ministry opportunities for fulfilling degree requirements in student ministries include the areas of business, children's ministry, area church ministry, music, institutional ministry, cross-cultural ministry, and outreach ministry.

# Enrollment Services

## Enrollment

Enrollment Services  
Trinity Bible College and Graduate School  
50 6<sup>th</sup> Avenue South  
Ellendale, ND 58436-7105

Phone: 1-888-TBC-2-DAY  
(1-888-822-2329)  
Email: [admissions@trinitybiblecollege.edu](mailto:admissions@trinitybiblecollege.edu)  
Website: [www.trinitybiblecollege.edu](http://www.trinitybiblecollege.edu)

## Requirements

Applicants should give evidence of a sound moral character and a personal conversion through a “born again” experience.

Applicants should be at least 17 years of age and have graduated from an accredited secondary school or hold a high school equivalency certificate.

Incoming students are required to have taken the ACT and have submitted their scores to the college. The ACT composite score must be at least an 18 or higher for admission. (SAT scores must equal 18 on the ACT composite score.)

If an applicant has an ACT composite score of less than 18 and/or a high school GPA of less than 2.0 and/or a low class rank, their application will be reviewed and if accepted, may be put on a reduced academic load or probation. These students will also be assigned to the Academic Support Center. Accepted students who test low in both Math and English will be assigned ASC Study Labs by the Records office.

Students are strongly encouraged to have their application file and FAFSA complete before arrival on-campus. Students with incomplete files may be provisionally registered, but their file must be completed within the first two weeks of a regular semester or by the first add/drop deadline of a non-traditional semester. Any provisionally registered student whose application file remains incomplete at the end of this designated grace period will have his/her provisional registration revoked and college removal procedures will ensue.

Applicants meeting Trinity Bible College and Graduate School’s admissions requirements are considered without regard to race, gender, or disability.

## Admissions Checklist

Application for admission includes:

- Complete application forms
- Non-refundable application fee
- Official high school transcript with graduation date
- ACT or SAT scores (if not included on high school transcript)
- Pastoral reference
- Character reference
- Personal essay

## **Transfer Students**

Students transferring from other colleges or universities will follow the admissions checklist and in addition:

- Arrange for all official college/university transcripts to be sent to Trinity Bible College and Graduate School.
- Bachelor of Arts students must take the last 30 credits from TBC & GS to graduate from Trinity.
- Associates of Arts students must take the last 15 credits from TBC & GS to graduate from Trinity.
- Grades of “C” or better will be considered for transfer credit. No Pass/Fail grades are accepted.

Students transferring from a non-accredited institution may transfer a limited number of credits (see Non Accredited Institutions under General Academic Information).

- Such credits will be transferred after students have successfully completed one academic year with a cumulative GPA of 2.00 or higher.
- Students meeting the GPA criteria will have credits approved for transfer and the credits will be placed on the academic transcript at that time.
- Students failing to meet the GPA criteria after the year-long grace period will no longer be eligible to receive those credits in transfer and they will then need to take those courses at Trinity.

## **Reapplication**

If students in good standing leave the college for a period of one full semester or longer and later return to resume enrollment, the following re-admission steps should be taken:

- The student will complete Re-Admittance Application form.
- Submit new Pastoral reference
- The Enrollment Office will seek verification and certify the re-applicant is in good standing with regards to all institutional (academic, financial, library and student life) obligations.
- If the applicant is not in good standing with all existing institutional obligations, it is the applicant’s responsibility to initiate contact with the department in which there is an outstanding issue and take the steps necessary to resolve the outstanding issue and obtain clearance from the department director or dean.
- Prior to registration, transcripts for all college work completed elsewhere during the period when not enrolled at Trinity must be submitted or, if the student does not want to transfer credits into Trinity, a Waiver of Transfer Credit hours must be signed.

Students who re-apply will enter under the current catalog. Students who return within one (1) academic year may petition to remain in the same academic program as described in the catalog under which their program began. Information is available in the Academic Records Office.

## **High School Dual Enrollment**

High school or home-schooled students who apply at the records office and are granted permission to take courses that can count for both high school and college credit will be considered dual-enrolled students. To ensure that credits are applicable towards high school graduation requirements, students should first consult with their school administration. The application for dual-enrollment can be requested from the Academic Records Office. Traditional high school attendees and homeschoolers must submit a transcript to the records office.

ACT testing is strongly encouraged to do placement into Math and English.

Dual-enrolled high school students must abide by the policies in academics and behavior of both TBC & GS and their high school while on the TBC campus. Forms for compliance must be filled out in the records office. If the high school student does not maintain a 2.50 GPA or does not abide by TBC & GS behavior requirements they can be asked to withdraw.

Dual-enrolled students receive reduced tuition and fees. The state of North Dakota requires 10<sup>th</sup>-12<sup>th</sup> grade status for dual enrollment. Students who are enrolled in a college course for the purpose of high school credit are unable to receive federal financial aid.

A minimum cumulative high school GPA of 2.50 is required to be a dual-enrolled student. Students with a 2.00 to 2.49 cumulative GPA may be allowed to enroll for one course on a trial basis.

A prospective high school student and parents will be interviewed to see if they are ready for academic rigor and social interactions with older students. The deadline for dual enrolling with both high school and TBC & GS is August 1<sup>st</sup>.

Some courses may be limited in size and the first priority will be toward the traditional TBC & GS students.

FERPA: If a student is attending a postsecondary institution - at any age - the rights under FERPA have transferred to the student. However, in a situation where a student is enrolled in both a high school and a postsecondary institution, the two schools may exchange information on that student. If the student is under 18, the parent/guardian still retains the rights under FERPA at the high school and may inspect and review any records sent by the postsecondary institution to the high school.

### **International Students**

In addition to the requirements for admission, students who are not citizens of the United States must provide a certified financial statement or evidence of the availability of adequate support to complete a program of study without institutional assistance. The Test of English as a Foreign Language (TOEFL) may be required of applicants whose primary language is not English. To begin the process of study in the states please visit [www.ice.gov/sevis](http://www.ice.gov/sevis). TBC & GS accepts only F-1 students. The registrar is the campus contact for international students.

For international transfer credit, refer to the Transfer Credit section.

## Financial Information

### Basic Costs

Trinity Bible College seeks to conduct its activities with economy of operation and reasonable costs to students. Students are charged tuition and fees to cover part of the cost of operating the college. The college reserves the right to change tuition and fees during the period covered by this catalog.

### Financial Responsibility

**It is expected that all tuition, fees, room and board charges are due before the first day of the semester.**

Students who cannot pay for the semester in full before the first day of the semester must request a deferred payment plan, and must pay at least one-third of the balance remaining after Trinity Bible College scholarships and grants, private scholarships, federal financial aid, and other financial assistance has been applied to the balance owing.

Trinity Bible College's policy is that students will not receive grade reports or copies of their official transcripts until satisfactory arrangements have been made to meet any obligations incurred with any department of the college.

Any student who has a balance may not be able to attend classes. Please contact Student Accounts to make payment arrangements.

### Financial Assistance

Financial assistance is available to help students meet their financial obligations to the college. This assistance includes, but is not limited to, Federal Title IV Aid, state aid, institutional scholarships, private donor scholarships, VA, and alternative educational loans. Eligibility for all financial assistance is based upon students completing the Free Application for Federal Student Aid (FAFSA) and determined by the class designation of the student. It is expected that all arrangements for financial assistance should be made prior to registration. All financial aid files must be completed prior to the disbursement of any financial assistance.

If a student withdraws before the financial aid census date (the posted add/drop date), they will not be eligible to receive any TBC scholarships or grants.

For detailed information concerning eligibility requirements, application materials, and additional scholarships that may be available, please contact:

Financial Aid Office  
Trinity Bible College  
50 6<sup>th</sup> Avenue South  
Ellendale, ND, 58436-7105

Phone: 1-888-TBC-2DAY (1-888-822-2329)

Website: [www.trinitybiblecollege.edu](http://www.trinitybiblecollege.edu)

### Student Responsibilities

- Students are responsible for reviewing all information about Trinity's academic and financial aid programs.

- Students are responsible for fulfilling all financial obligations with personal resources or financial aid. Failing to meet this responsibility could result in suspension and may incur reinstatement fees.
- Students are responsible for accurately completing all appropriate application forms and other necessary documentation, submitting these on time to the appropriate offices.
- Students are expected to keep copies of all relevant documents used in preparing financial aid applications. For example, tax forms, tax schedules, and W-2 forms.
- Students must complete financial aid files within 30 days of the last day to register for courses. Students with incomplete files could be suspended and may incur reinstatement fees. Students selected for verification have 60 days prior to the planned term of enrollment.
- Students must notify the financial aid office of additional outside funds received from sources not previously reported or if a Bachelor of Arts degree is earned during the academic year in which they received aid. Students will be responsible for repaying any funds received for which they are determined to be ineligible.
- Students must maintain satisfactory academic progress toward the completion of their degree program. *See Satisfactory Academic Progress Policy, this section.*
- Students must maintain satisfactory attendance in all courses for which they are enrolled. *See Attendance Policy under general information.*

### **Deferred Payment Plan**

There is a \$75 fee each semester to participate in the deferred payment plan option. Payments must be made on-time to continue participation in this payment option for future semesters.

### **Deferred Payment Schedule**

After all estimated financial assistance has been applied to a student's account, one-third of the remaining balance owing will be due at registration before the first day of the semester. The remainder is divided into two payments due on:

Fall Semester

October 1: second payment due

November 1: final payment due

Spring Semester

March 1: second payment due

April 1: final payment due

Students who fail to meet the payment schedule may be suspended from courses on the first class day following the due date. Once satisfactory payment is made, a reinstatement fee will be assessed and students will be allowed to attend classes.

### **Withdrawal Policy-Financial Aid**

Trinity assumes certain financial obligations based on student enrollment as recorded at the beginning of a new school year. A withdrawal policy that is fair for both students and the college is essential; therefore, the following policy has been adopted:

- Students who desire to withdraw from all of their classes shall obtain a Withdrawal Form from the Academic Records office. Academic Records will then notify the Financial Aid office (and other necessary offices) of the students' intent to withdraw. Students who do not inform the Academic Records office will be treated as walk off students and considered an unofficial withdrawal.

- Since TBC's attendance policy requires instructors to keep records of attendance, the official date of withdrawal will be the last documented day of attendance in any class for which they are registered.
- Census Date: If a student withdraws from a class after the financial aid census date, no changes will be made to their financial aid unless the student withdraws from all classes in the semester.
- The last documented day of attendance in each class may be used with the withdrawal to calculate the return of federal funds.
- Refund of semester charges will be subject to Trinity's stated Refund Policy, noted below. A student who withdraws after the 3rd Friday of the semester will not receive any refund of charges.
- A withdrawal fee of \$100 will be assessed for all withdrawals. If a student completes the Withdrawal Form and their Student Life exit interview, their withdrawal fee will be waived.
- Students who withdraw will not be eligible to have their dorm and key deposits credited to their student account unless they complete the withdrawal process, Student Life exit interview, and room check-out.
- Students must return the completed Withdrawal Form to Academic Records. At that time the student will be informed of the offices or individuals whose signatures on the Withdrawal Form must be obtained to complete the withdrawal process. The Financial Aid office must perform a return of Title IV Funds (Federal Financial Aid) calculation for all students withdrawing from all classes.
- In cases where the return of Title IV Funds calculation creates a balance due from the student, the student must make payment in full at that time or sign a repayment agreement with TBC. Federal funds that must be returned on federal grants or loans will then be the responsibility of TBC, with a student paying the indebtedness to TBC through the aforementioned repayment agreement, unless the calculation requires the student to return federal funds directly to the Department of Education.
- Unless otherwise directed by federal financial aid requirements or the student's parents (for PLUS loans), adjustments and refunds will be made to the student.

### **Financial Aid Eligibility**

Financial Aid is based on an academic award year of July 1 to June 30. In order to obtain financial aid, students must:

- Complete an application to attend Trinity Bible College. This application will provide Trinity with information for students' institutional scholarship packages. An application can be obtained from Trinity's website at [www.trinitybiblecollege.edu](http://www.trinitybiblecollege.edu) or by calling 1-800-523-1603.
- Apply online for a Department of Education FSA ID. The FSA ID will act as a digital signature for most financial aid documents. Students and parents can do this at any time by going to [www.fsa.ed.gov](http://www.fsa.ed.gov).
- Fill out the Free Application for Federal Student Aid (FAFSA). Students are encouraged to apply immediately after October 1<sup>st</sup> for the upcoming academic award year by going to [www.fafsa.ed.gov](http://www.fafsa.ed.gov). The FAFSA will help Trinity determine students' eligibility for federally-funded financial aid. Students will need to do this for every year they are in college.
- Be accepted and enrolled as regular students in a degree seeking program of study. See *Academic Programs*.

### **Length of Trinity-Funded and Financial Aid Eligibility**

Eligibility for Trinity-funded aid will be terminated after students have attended full-time for four years for a Bachelor of Arts degree and two years for an Associate of Arts degree.

Students who have completed a degree at Trinity may be eligible for financial aid for an additional degree. If students wish to obtain a second degree of the same level (e.g. a second Associate of Arts after completion of an

Associate of Arts degree), they will have eligibility so long as the time and credits needed do not exceed any remaining eligibility unused by the first degree. If students wish to obtain a degree of a greater level (e.g. a Bachelor of Arts degree after completion of an Associates of Art degree), they shall be treated as transfer students for determination of remaining eligibility. All Trinity courses, regardless of when they were attempted, will be used to calculate students' GPA. All course work will be reflected on the academic transcript.

### **Satisfactory Academic Progress Policy**

In order to receive Federal Financial Aid under the programs authorized by the Department of Education guidelines, students must maintain satisfactory academic progress (SAP) in the course of study they are pursuing.

SAP will be monitored after each semester for all students. All **periods** of enrollment count toward SAP including when a student does not receive further Title IV payments. Letters are also sent out to those on warning or appeal after each semester midterm. Satisfactory Academic Progress is measured by three components.

- The student's cumulative grade point average (CGPA)
- The student's rate of progress toward completion (ROP)
- The maximum time frame (MTF) allowed to complete the academic program. (150% for all programs)

#### **1. Cumulative Grade Point Average (CGPA)**

Students are required to maintain a cumulative GPA of at least 2.0 to be eligible for federal financial aid. Satisfactory Academic Progress is measured for all students after each semester. If a student falls below a 2.0 cumulative GPA, the student will receive a written warning from the financial aid office. Failure to meet the minimum 2.0 cumulative GPA after two (2) consecutive semesters will result in suspension of the student's financial aid eligibility.

All incomplete grades will be counted against a student's cumulative GPA at the end of the semester when the SAP Committee performs the process of determining SAP. When the incomplete grade is changed to an actual grade the student's file will be re-evaluated. Transfer credits are not included in the calculation of the cumulative GPA but are included in the student's rate of progress.

When retaking a class only the most recent attempt at the course is used to calculate the cumulative GPA. Grades received for remedial courses do not count toward a student's GPA.

#### **2. Cumulative 67% Rule (ROP)**

This component measures the rate of progress (ROP) towards completion. Students must complete and satisfactorily pass 67% of all credit hours attempted at Trinity. Students must complete enough hours to finish their program within the maximum time frame. Quantitative progress is determined by dividing the number of credit hours attempted by the number of credit hours completed. Credit hours attempted include completed hours, transfer credits, W's, WP's, WF's and repeated courses. Failure to comply with this component will result in suspension of students' financial aid eligibility. A warning will be given after one semester, with financial aid suspension after two consecutive semesters.

Dropping classes after the initial two week period of each semester will affect the completion rate. Dropping a class during the initial 2 week add-drop period does not affect the completion rate.

#### **3. Cumulative 150% Rule (MTF)**

The maximum time frame (MTF) for completion of all programs below the master's level is limited by federal regulations to 150%. To remain eligible for Federal Financial Aid the maximum time (MTF) frame needed to

complete a program of study cannot exceed 150% of the published length of the program measured in credit hours attempted. For example, if the published length of required credit hours for a program is 128 hours, the maximum period must not exceed 192 (128 x 1.5) attempted credit hours. If the published length of required credit hours is 64 hours, the maximum period must not exceed 96 (64 x 1.5) attempted credit hours. Students must complete enough hours to finish their program of study within the maximum time frame. Maximum time frame pace must be measured at each evaluation. Remedial courses are not to be included when determining pace. To determine the pace progress, divide the cumulative number of credit hours completed by the cumulative number of credit hours attempted. When calculating pace, transfer credits will be counted that apply toward the current program.

### **Changing Programs of Study**

A student transferring from one program to another has to withdraw from one program first and then enroll in the second program. A student may be awarded transfer credits for the common courses among the program a student has withdrawn from and the program a student will be joining. In-house transfer credits are included in the calculation of the cumulative GPA and are included in the rate of progress. Additionally, the transfer-in hours are counted toward the 150% Maximum Time Frame.

The process requires the student to submit a completed “academic program change” form with all appropriate signatures. If a student changes their program after add/drop it will only take effect the following semester.

### **Enrolling in a Second Program of Study**

If students wish to obtain a second degree of the same level (e.g. a second Associate of Arts after completion of an Associate of Arts degree), they will have eligibility so long as the time and credits needed do not exceed any remaining eligibility unused by the first degree. If students wish to obtain a degree of a greater level (e.g. a Bachelor of Arts degree after completion of an Associates of Art degree), they shall be treated as transfer students for determination of remaining eligibility. All Trinity courses, regardless of when they were attempted, will be used to calculate students’ GPA. All course work will be reflected on the academic transcript. SAP-status will be applied in continuation, but maximum time frame (150%) of each program will be counted separately.

### **Warning Letter, Probation, Suspension of Financial Aid, and the Appeal Process**

When a student does not meet the standards as stated above, the following process will take place:

#### **1. Financial Aid Warning**

After the first semester of not meeting the standards, a warning letter from the Financial Aid Office will be sent to the student. The letter will inform the student that they are not making Satisfactory Academic Progress, and are therefore in danger of losing financial aid eligibility. For the following semester the student can continue to receive federal aid on Financial Aid Warning. All students who receive an initial warning letter will be required to seek help academically from the Academic Success Center (ASC). They will be registered for assigned times in the ASC lab during registration.

#### **2. Financial Aid Probation**

After two consecutive semesters of not meeting SAP standards, a student will lose their financial aid eligibility and a letter of explanation will be sent to the student. A student who fails to meet SAP must successfully appeal to be placed on warning. Loss of federal aid due to not making SAP will also result in the loss of all TBC funded scholarships. This loss of eligibility will be for the following semester, with a student not regaining eligibility until it is determined that they are once again meeting the SAP standards.

For instance, a student has a 1.93 Cumulative GPA at the end of the fall semester. A warning letter will be sent. At the end of the spring semester, the cumulative GPA has fallen to a 1.85. The student will then be suspended

from receiving any more federal financial aid and Trinity funded scholarships. After one semester on probation, the student must make SAP or must be meeting the requirements of the academic plan. For the following fall semester, the student pays the charges without financial aid, and brings their CUM GPA back up to a 2.04. In the next spring semester, the student's financial aid is restored.

### **3. SAP Appeal Process**

Along with the letter of probation, an appeal form will be sent to the student giving them the opportunity to appeal for continued financial aid. An appeal will only be granted for mitigating circumstances such as a death in the immediate family, a prolonged illness that is documented by a physician, or an equally serious circumstance that interfered with the student's ability to meet the standards of SAP. The appeal form must be completed and turned in to the Financial Aid Office so that the SAP committee can determine if the appeal should be granted. If an appeal for continued financial aid is granted, the appeal will only be valid for one semester. The student must meet with the Academic Affairs office to complete a well-documented written plan stating the student's goals for the semester. This academic plan must ensure that the student is able to meet SAP standards by a specific point in time. They will be referred to Trinity's Academic Success Center (ASC) Lab and a copy of the plan will be on file in both offices. All decisions of the SAP committee are final. SAP will be checked again at the end of that semester to determine if the student is once again making adequate progress. Deadline for filing an appeal is one week prior to the start of the semester.

### **Grade Changes**

Only those grade changes that are processed prior to the SAP appeal deadline shall affect students' satisfactory academic progress status.

Students who replace a course grade by transferring in credits shall not be able to alter their satisfactory academic progress status.

**NOTE:** Certain academic programs have stricter satisfactory grade and/or GPA requirements. Federal regulations state that the stricter requirements must be upheld or appropriate termination for federal funds must occur. See *Academic Programs*.

### **Federal Financial Aid Return Policy**

#### **Student Financial Aid (SFA)**

The school is certified by the U. S. Department of Education as an eligible participant in Federal Student Financial Aid (SFA) programs established under the Higher Education Act of 1965 (HEA), as amended (Title IV programs).

The school is required to determine earned and unearned portions of Title IV aid for students who cancel, withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a payment period or term.

#### **Return of Title IV Funds Calculation and Policy**

Federal Financial Aid Refunds - Return of Title IV Calculation

A student recipient of Federal Title IV funds (i.e., Federal Pell, SEOG or TEACH grants or Perkins, Direct or PLUS loans) who withdraws from Trinity Bible College before completing 60% of the term is subject to the Return of Title IV Calculation to determine the percentage of Title IV funds required to be returned to the federal government. The Return of Title IV calculation is a federally mandated formula to determine how much federal funding was "earned" up to the time of withdrawal.

The Title IV funds that were disbursed in excess of the earned amount must be returned to the federal government by the college and/or you. If you received a refund from financial aid, which was to be used for education-related personal expenses or housing expenses, you may be required to return a portion of those funds to the college. This portion represents funds that were intended to pay your education-related expenses through the end of the semester. The amount to be returned to the college will be determined by your institutional costs, refunds you might have received for non-institutional expenses and the funds that must be returned to the government.

The amount to be returned to the federal government will be calculated from the date you officially withdrew from classes or, in the case of an unofficial withdrawal, the last date of documented attendance in the semester. An official withdrawal occurs when a student follows the published process for withdrawing from the college prior to the end of the term.

To determine the amount of aid you earned up to the time of withdrawal, Trinity Bible College Office of Financial Aid will determine the percentage of the semester you attended. The percentage used to determine the return of federal student aid funds is equal to the number of calendar days remaining in the semester divided by the number of calendar days in the semester. Scheduled breaks of more than five consecutive days are excluded. The resulting percentage is then used along with your Institutional costs and total federal funds that you received (funds that were disbursed directly to your student account and possibly refunded to you) or that you were eligible to receive, to determine the amount of aid that you are allowed to keep.

Any unearned Title IV aid must be returned to the federal government within 45 days of the date of the determination of your withdrawal. Trinity Bible College's Office of Financial Aid will notify you with instructions on how to proceed if you are required to return funds to the government. Any funds returned after the Return of Title IV Aid calculation is completed and processed are then used to repay Trinity Bible College's funds, state funds, other private sources, and the student, in proportion to the amount received from each non-federal source, as long as there was no unpaid balance at the time of withdrawal. All aid sources are repaid before any funds are returned to the student.

Funds that are returned to the federal government are used to reduce the outstanding balances in individual federal programs. Financial aid returned by you and/or your parent or the college must be allocated in the following order:

1. Federal Unsubsidized Direct Loan
2. Federal Subsidized Direct Loan
3. Federal Perkins Loan
4. Federal Direct Parent Loan (PLUS)
5. Federal Direct Grad Plus
6. Federal Pell Grant
7. Federal Supplemental Educational Opportunity Grant (SEOG)
8. Federal Teach Grant

A student may be eligible for a post-withdrawal disbursement if, prior to withdrawing, the student earned more federal financial aid than was disbursed. If a student is eligible for a post-withdrawal disbursement for Title IV funds, it will be processed for the student and a refund will be issued within 14 days of the credit balance.

If the post-withdrawal disbursement includes loan funds, Trinity Bible College must get the student's permission before it can disburse the loan. Students may choose to decline some or all of the loan funds so that s/he does

not incur additional debt. A notice will be sent out to the student, and the signed, original document must be returned to the college within 14 days.

Trinity Bible College may automatically use all or a portion of the post-withdrawal disbursement of grant funds for tuition and fees. However, the college needs the student's permission to use the post-withdrawal grant disbursement for all other non-institutional charges. If the student does not give his/her permission, the student will be offered the funds. However, it may be in the student's best interest to allow the college to keep the funds to reduce the student's debt at the college.

It is also important to understand that accepting a post-withdrawal disbursement of student loan funds will increase a student's overall student loan debt that must be repaid under the terms of the Master Promissory Note. Additionally, accepting the disbursement of grant funds will reduce the remaining amount of grant funds available to the student should the student continue his/her education at a later date.

### **Official Withdrawal**

Students who desire to withdraw from all of their classes shall obtain a Withdrawal Form from the Academic Records office. Academic Records will then notify the Financial Aid office (and other necessary offices) of the students' intent to withdraw. Since TBC's attendance policy requires instructors to keep records of attendance, the official date of withdrawal will be the last documented day of attendance in any class for which they are registered.

### **Unofficial Withdrawal**

An unofficial withdrawal occurs when a student leaves the college without notice. Title IV aid recipients who fail to withdraw but stop attending class are considered unofficial withdrawals. The Return to Title IV Funds policy requires the college to calculate the "earned" amount based on the last day of attendance of the semester. If the student stopped attending prior to the 60% point of the term, the student will be billed for the outstanding charges as a result of the Return of Title IV funds.

### **Refund Policies**

Trinity assumes certain financial obligations based on student enrollment as recorded at the beginning of a new school year. A refund policy that is fair for both students and the college is essential; therefore, the following policies have been adopted:

- Students should not expect refunds until after the second Friday of classes (i.e. the last day to add/drop a class without a record).
- Because of the flat tuition rate, the tuition amount refunded shall be calculated as follows:
  - Full-time students taking 12-18 credits who do not drop below 12 credits, there shall be no refund.
  - For full-time students taking 12-18 credits who drop below 12 credits, the amount refunded shall equal the flat tuition amount less the newly calculated tuition amount times the percentage refund.
  - For students taking less than 12 credits or more than 18 credits, the amount refunded shall equal the current tuition amount less the newly calculated tuition amount times the percentage refund.

Refunds shall be made according to the following schedule:

#### **Semester Refund Schedule**

1 <sup>st</sup> week of classes	95% refund
---------------------------------	------------

(including registration)

2 <sup>nd</sup> week of classes	75% refund
3 <sup>rd</sup> week of classes	50% refund
4 <sup>th</sup> week of classes	0% refund

Because May term is a concentrated class environment the refund policy for drops shall be as follows:

#### **May/June Term Refund Schedule**

1 <sup>st</sup> day of classes	95% refund
2 <sup>nd</sup> day of classes	50% refund
3 <sup>rd</sup> day of classes	25% refund
4 <sup>th</sup> day of classes	0% refund

Extreme Week session is on a concentrated class schedule; therefore the refund policy for drops shall be 100% for students who drop prior to the beginning of the module, 50% after the first day of the module, and 0% after the second day of the module.

Students attending an 8 week module class within a semester, the refund policy shall be as follows: 95% refund for drops during the first week of class, 50% refund for drops during the second week of class, 0% refund for drops in the third and succeeding weeks.

For withdrawals from the college, the amount refunded is based on the applicable refund policy.

Student health insurance premiums will not be refunded.

Music fees will not be refunded.

Non-refundable charges include withdrawal fees and any other processing fees. Any charges placed on a student's account for fines and books are also non-refundable.

In the event there are surplus funds on the student's account after all institutional charges have been applied, the student will receive a check for the amount of the credit balance. Checks will be issued within 14 days of the occurrence of the credit balance. If a student wishes to apply the credit balance to cancel part or all of a federal loan, they may contact the Financial Aid office for details.

# General Academic Information

## Programs

### Associate of Arts (AA)

AA degrees are offered in Biblical Studies, Business Administration, and General Studies.

### Bachelors of Arts (BA)

BA degrees are offered with majors in Biblical Studies, Business Administration, Exercise Science, General Studies, Intercultural Studies, Children's Ministry, Pastoral Ministry, Worship Ministry, Youth Ministry, Elementary Education, and Physical Education. Most of these majors include a double major in Biblical Studies.

Minors are available in the following areas: Business Administration, Church Ministries, Coaching, Intercultural Studies, Music, and Theology.

### 5 Year BA/MA

Some BA and MA degrees may be completed together in five years (see program details).

### Master of Arts (MA)

MA degrees are offered in Global Theology, Missional Leadership, and Rural Ministries.

### Academic Calendar

Trinity Bible College and Graduate School undergraduate programs follow a semester system. There are two regular semesters; fall and spring. Optional winter and summer sessions may be available.

Trinity graduate programs offer multiple intensive modules throughout the year.

### Student Classification

Students are identified according to the following designations:

Full-time: enrollment of 12 or more credits per semester (undergraduate); 9 or more credits per semester (graduate)

Part-time	less than full-time
Classified	degree-seeking students
Unclassified	non-degree-seeking students
Dual Enrolled	high school students taking college courses
Audit	students enrolled in a course for non-credit purposes
Freshman	students with 0-30 credits completed
Sophomore	students with 31-60 credits completed
Junior	students with 61-90 credits completed
Senior	students with 91+ credits completed
Graduate Student	graduate degree-seeking students

### **Academic Advisement**

Academic advisement is provided concerning areas of study, course schedules, and effective study habits. Students are assigned academic advisors who will help them plan a course of study for each semester. Records of academic progress are kept by advisors and utilized during advising sessions. Advising can also be given by Academic Records office and the Vice President of Academics.

### **Academic Load**

The typical undergraduate credit load at Trinity is 15 hours each semester. Most class periods are 50 minutes in length and credits are measured in terms of course hours per week during a semester of 16 weeks.

### **Credit Overload**

An overload is defined as more than 18 semester hours attempted for credit in any academic semester. Semester overload will need written approval by the V.P. of Academics.

Excluding credits for internships, students may take no more than 21 classroom credits per semester or six credits in summer sessions.

### **Course Cancellation by Administration**

The college administration reserves the right to cancel any course which is deemed to have insufficient enrollment.

### **Extracurricular Activities**

Students participating in official college-sponsored activities, e.g., promotional groups, musical tour groups, athletic teams, student government, and ministry group leaders, must maintain the minimum cumulative GPA as indicated in the Academic Probation section of the catalog in order to remain in these activities.

### **Add/Drop and Withdrawal Policy**

Students may add or drop courses before the posted add/drop deadline within the first two weeks of the semester. Courses dropped by this deadline do not remain as part of the student's record. Students see their academic advisor to add or drop courses during this period.

A grade of "W" (withdrawal) will be given if students drop a course after the first two weeks but prior to the posted deadline approximately half way through the semester. Students pick up the course withdrawal form in Academic Records, secure the appropriate signatures, and return the form to Academic Records by 5 PM on the specified due date.

Students who withdraw from a course after midterm will receive a grade of "WP" (withdraw passing) or "WF" (withdraw failing). The last day students may withdraw from a course for any reason will be the posted date, two weeks before the week of final exams.

If a student drops below full-time status of 12 hours, financial aid may be adversely affected. Resident students dropping below 12 hours may be asked to move out of campus housing.

Grades of “W,” “WF” or “WP” are considered unsatisfactory and will count in determining a student's’ satisfactory academic progress for financial aid purposes.

### **College Withdrawal**

Students who withdraw from Trinity during a semester, must secure an official Withdrawal Form from the Academic Records office. This form must be signed by the indicated college officials and then be returned to the Academic Records office before official withdrawal can be completed. A fee will be assessed for all withdrawals (See Withdrawal Policy under Finances). Failure to comply with the college withdrawal policy may result in failing grades for all courses for that semester and ineligibility for financial refunds.

### **Administrative Academic Withdrawal Policy (One Course)**

Any students who reach the maximum allowed absences for a specific class can be administratively withdrawn from class.

If the withdrawal takes place prior to the posted withdraw deadline near midterm, a “W” grade will be recorded. If the withdrawal takes place after that, students will receive a “WF”.

The withdrawal will be:

- Initiated by the faculty member teaching the course in question.
- The Academic Records office will complete an Administrative Withdrawal form.
- The complete information will be sent to the V.P. of Academics for final approval.
- The Academic Records office will notify all pertinent parties of the final decision.

If a student drops below full-time status of 12 hours, financial aid may be adversely affected. Resident students dropping below 12 hours may be asked to move out of campus housing.

### **Administrative Academic Withdrawal Policy (All Courses)**

When students have exceeded the allowable absences for all of the credit courses for which they are enrolled, they will be dismissed. Students living in on-campus housing will be required to vacate the premises. This process is initiated in the Academic Records office.

- The Academic Records office will complete an Administrative Withdrawal Form and gather paperwork for all communication to this student by offices and faculty.
- Copies of emails from professors and records office regarding absences will be placed with the form.
- A meeting or email contact will determine withdrawal process and information gathering with Registrar, V.P. of Academics, V.P. of Student Development, advisor or any designee.
- A registration hold will be placed in Empower.
- The student may apply for re-admission according to enrollment guidelines.
- Students are entitled to due process. In the case of special circumstances students will be referred to the Office of Academic Affairs.

### **Walk-Off Policy**

Students will be considered walk-offs if they have stopped attending classes OR vacated their resident hall, Ellendale address, or permanent address for a period of three consecutive weeks without notifying the Academic Records office or the Student Life office. Such students will be withdrawn from the college (for further information see Finances, Withdrawal Policy).

The Academic Records office will notify faculty and staff of a “Walk Off”, all attendance will be done immediately and the student will be administratively withdrawn from the school.

### **Leave of Absence**

A leave of absence (LOA), for return of title IV funds purposes, is a temporary semester interruption in a student’s program of study. A LOA is not required if a student is not in attendance only for an institutionally scheduled break. However, a scheduled break may occur during a LOA. A LOA must meet certain conditions to be counted as a temporary interruption in a student’s education instead of being counted as a withdrawal.

The student must make a LOA request, in writing, to the Academic Records office and the V.P. of Academics’ office one month before the start of a semester with the reason the LOA is needed, the time off requested, and when they will return.

- The request must be approved by both offices and a copy placed in both offices.
- There must be a reasonable expectation that the student will return from the LOA.
- The LOA, together with any additional leaves of absence, must not exceed a total of 180 contiguous days in any 12 month period.
- A student returning from the LOA must resume training at the same point in the academic program that he or she began in the LOA.
- If the student is a Title IV loan recipient, Trinity will explain to the student, prior to granting the LOA, the effects that the student’s failure to return from the LOA may have on the student’s loan repayment terms, including the expiration of the student’s grace period. Upon the student’s return from the leave, he or she continues to earn the federal student aid previously awarded for the period.
- Students who do not return at the end of the leave will be withdrawn and must re-apply to the school.
- Medical or emergency leaves require receipt of all documentation one month prior to re-admittance.
- Military deployment must follow the protocol with the VA. Please visit with the on-campus VA representative.

## **Program Change**

Students who wish to change academic programs may contact the Academic Records office. A processing fee may be charged for this change in program.

Students are strongly encouraged to complete all program changes before their first semester of their junior year for a BA and by September 30th of their sophomore year for an AA. Changes may result in additional credit requirements that could add cost and time to their programs.

## **Transcripts**

An academic transcript of credit may be obtained from the Academic Records office. A Transcript Request form is available and must be accompanied by a hand signature in order to be processed. Requests normally take three weeks for processing. However, the processing time can be longer during periods of peak activity (registration, graduation, final exams, etc.).

If a rush transcript is needed please call the academic records office to find out what the charge and process will be.

Students will not be issued official transcripts if they have outstanding bills with any office of the college or if student loans are in default. Official transcripts will not be issued via fax or email. Questions may be directed to the Academic Records office via phone at 701-349-5796 or via email at [registrar@trinitybiblecollege.edu](mailto:registrar@trinitybiblecollege.edu).

## **Non-Traditional Credit**

### **CLEP Tests and Advanced Placement**

College credit by examination is possible through a College Level Exam Program (CLEP) test. General examinations are offered in a variety of subjects.

CLEP tests should be taken prior to students' senior year. A fee payable to CLEP is required at the time of testing. The American Council on Education (ACE) Guidelines for credit will be followed.

If you wish to take the test on campus you need to go to <https://cleportal.collegeboard.org> and create an account, pay for the exam there and print the CLEP Exam Registration Ticket. An appointment will need to be made at the Academic Records office to take the exam.

Students who have completed college level studies in their high school may be eligible to receive college credit. Either the Advanced Placement Examinations (AP) of the College Entrance Examinations Board or the International Baccalaureate (IB) may qualify for credit when the official score report from AP or IB has been received in the Academic Records office. Credits will be awarded for test results of 3 or higher (AP) or 5-7 (IB) on the higher-level examinations only. For a Bachelor of Arts degree no more than 30 credits received through

CLEP tests, Advanced Placement programs, or International Baccalaureate will be accepted. Students pursuing an Associate of Arts degree may receive credit for no more than 15 such credits.

### **Credit for Prior Learning**

Credit for prior learning is intended for those students who can equate prior life experience to college level learning and academic work. Application must be made to the Academic Dean but does not guarantee that credit will be awarded; only that it will be evaluated and considered for credit. Trinity Bible College and Graduate School cannot guarantee the transferability of prior learning credits. There is a limit of 30 credits towards a BA degree and 15 credits for an AA degree. This process is quite lengthy and the student should allow for at least one semester of evaluation and should be started before the senior class level.

### **Distance Education**

The Distance Education Department provides opportunities in degree completion, pastoral enrichment, and dual enrollment. The Distance Education Department continues to expand the number of courses available through an interactive online learning platform. Some of the available course include: General Studies, Biblical Studies, Theology, Practical Ministry, Intercultural Studies, and more. The enrollment processes for Distance Education students is handled by the Admissions Office. Please refer to the Admissions section of the handbook for further information.

A direct email for Distance Education questions is [trinityDE@trinitybiblecollege.edu](mailto:trinityDE@trinitybiblecollege.edu).

### **Independent Study**

In special circumstances, Trinity Bible College and Graduate School will allow students to take courses by an independent study process. The following policy describes this process and will be carefully followed:

- Independent study (IS) will only be permissible in cases of: unavoidable scheduling conflicts, OR if students are required to pursue a course that is not offered in the regular curriculum, OR if students need to add one more credit hour to a course in order to meet graduation requirements.
- Eligible Bachelor of Arts students may take no more than a total of 12 hours by independent study. Eligible Associate of Arts students may take no more than a total of 6 hours by independent study.
- The college's academic departments will be given the opportunity to identify courses in their curriculum that cannot be taken by independent study. The professor who normally teaches the course should be the first choice to administer the independent study; however, a professor has the right to refuse to supervise an independent study.
- There will be an additional Independent Study fee charged on top of the normal cost of the course. Consult the fee schedule for current fees.
- All independent study must be approved by the V.P. of Academics.
- The syllabi for independent study courses should be comparable in rigor to traditional classes for the level and credit load of the course.
- Students must have weekly contact with their professor during the semester. This can be done in person, internet, or by phone call. Assignments will be submitted to the professor according

to the schedule specified in the independent study syllabus, and late work will be reduced in grade according to the policy established in the syllabus. At least one-half of the assignments will be submitted for grading by mid-term.

- Attendance must be marked once a week by Friday.
- The current incomplete grade policy will apply to all independent studies not completed by the last day of finals.
- The form to apply for Independent Study may be picked up in the Academic Records office or online. It must be properly signed, filled out and returned to Academic Records office to be approved. The student and professor will be notified by email when the course is set up.

### **Military Credit**

Many military technical-training courses can be credited for college courses. Students are responsible for initiating a request for credit and having them sent to the Registrar for approval. Physical education credit can also be given for military service by submitting a copy of students' DD214.

### **Non-Accredited Institutions**

In some cases, partial credit for non-accredited ministry learning centers (such as Master's Commission, etc) may be eligible for consideration in fulfilling some of the Trinity academic requirements. The guidelines for academic considerations are:

- Provide a written request to the Office of Academic Affairs describing one's previous course/learning and how those completed experiences may qualify as a substitute for a TBC & GS course.
- The Director of non-accredited ministry, provides a sealed personal letter of evaluation and recommendation regarding the student in consideration including the calendar dates that student was under their supervision
- Provide a transcript/certificate of achievement from the non-accredited institution/ministry

Credits will transfer upon the approval from Trinity's Office of Academic Affairs and after the student's successful completion of one academic year at Trinity having achieved a cumulative GPA of 2.00 or higher. Students not able to meet the minimum GPA criteria after one year at TBC & GS will not be eligible to receive approval for prior leaning and will need to take those courses at Trinity.

### **Pack Your Bags**

Pack Your Bags is specifically designed for high school graduates willing to dedicate one year to seek God, serve others, and have fun. It is especially useful for the next step in their lives. They travel around the USA, South Africa, and Israel working with people from diverse walks of life as well as obtaining academic credits through enrolling in courses from TBC & GS. They also follow an interactive style of learning through direct instruction, videos, sharing, discussion, or online instruction.

### **Transfer Students**

Students transferring from other colleges or universities will follow the admissions checklist and in addition:

- Arrange for all official college/university transcripts to be sent to Trinity Bible College and Graduate School with final grades posted.
- Bachelor of Arts students must take the last 30 credits from TBC & GS to graduate from Trinity
- Associates of Arts students must take the last 15 credits from TBC & GS to graduate from Trinity.
- Grades of “C” or better will be considered for transfer credit. No Pass/Fail grades are accepted.
- Students transferring from a non-accredited institution may transfer a limited number of credits (see Non-Accredited Institutions above).

### **Transfer of credit from Institutions outside of the USA**

In order to have international transcripts evaluated, students must submit a request to Educational Credential Evaluators (ECE). Follow the instructions on the ECE website

<https://www.ece.org/ECE/Individuals> and request a copy of the report to be sent to Trinity. For transfer credits, you will need to do the “course-by-course” report. In addition to the ECE evaluation, students are required to send an official copy of the international transcript, with certified English translation if the original transcript is not in English, to the Registrar’s office at TBC & GS.

### **Class Attendance Policy**

Trinity Bible College and Graduate School encourages faithful class attendance with allowances provided for necessary absences. There are no excused or unexcused absences—only total absences. If there is an absence for medical, family, or TBC & GS related activities these will still be counted toward your total absences.

Total absences may not exceed the allowable number of absences established in the table below.

<u>Classes per Week</u>	<u>Total Absences Resulting in Failure</u>
1	4
2	8
3	12
4	16
5	20

Please be aware that individual courses may have more rigorous requirements for attendance and tardiness. Students are expected to honor the classroom policies in each course syllabus.

### **Tardiness**

Students are considered tardy if they arrive after class has started. Three instances of tardiness is equivalent to one absence. Students arriving more than 15 minutes late to class are considered absent.

### **Departing Class Early**

Occasionally students are required to leave class early. On those rare occasions students are expected to be respectful and considerate by communicating their need to the professor prior to the beginning of that class. Keep this in mind when establishing your work schedule, extracurricular activities, or church related activities; none of which are an excuse for early departure.

### **Late Registration**

If a student registers late for classes, missed classes are still counted in the total number of allowable absences.

### **Late Test Policy**

Flexibility to make-up a quiz or exam is not automatic and is at the discretion of the course professor. Likewise, students missing a quiz or exam due to participation in college approved extracurricular activities, are responsible to make suitable arrangements with their professor before leaving for these activities.

Permission to make up quizzes and major exams is not automatic. The instructor and/or the Academics will decide if the tests were missed for legitimate reasons and whether or not students will be allowed to take a late exam or quiz.

Students who will miss a test due to college-approved extracurricular activities are required to make suitable arrangements with the instructor before leaving for these activities.

### **Classroom Expectations**

Students are reminded that proper classroom behavior and decorum are expected at all times. For this reason, Trinity has established the following policies with which all students must comply:

- Cell phones and similar electronic devices should not be used in class except as it applies to note taking, information gathering, and class room participation.
- In testing situations, the use of cell phones or similar communication devices also may lead to a charge of academic dishonesty and additional sanctions.
- Children are not permitted to come to class with their parents.
- Food (e.g., carry-out food, trays, etc.) is not permitted in the classroom without the professor's permission.
- Respect should be shown to all faculty and fellow students in conduct and conversation
- Personal appearance and cleanliness should not be distracting or discourteous to other students and faculty.

In an effort to nurture a classroom culture that is conducive to the learning community, it is important for students to respect their professors and peers. Students who choose not to align with these general guidelines and course guidelines, or disrupt a class, may be asked to leave the classroom and will be marked as absent for that class session.

## Grades

Trinity Bible College and Graduate School uses a 4 point grade system to calculate Grade Point Average (GPA). Final grades are posted as a letter grade which determines grade points, not the percentage value of each grade.

## Grading Scale

The standard college grading scale is as follows:

<u>Grade</u>		<u>Percentage</u>	<u>Grade Points</u>
A	Superior	94-100 %	4.0
A-		90-93 %	3.7
B+	Above average	87-89 %	3.3
B		83-86 %	3.0
B-		80-82 %	2.7
C+	Average	77-79 %	2.3
C		73-76 %	2.0
C-		70-72 %	1.7
D+	Below average	67-69 %	1.3
D		63-66 %	1.0
D-		60-62 %	.7
F	Failing	0-59 %	0.0
W	Withdraw	Assigned between weeks 3 and 8 to students who withdraw	
WP	Withdraw passing	Assigned between weeks 8 and 13 to students who withdraw and have satisfied class assignments up to the day of withdrawal.	
WF	Withdraw failing	Assigned between weeks 8 and 13 to students who withdraw and have not satisfied class assignments up to the day of withdrawal.	
S	Satisfactory		
U	Unsatisfactory		
I	Incomplete		
AU	Audit		

## Academic Dishonesty

Trinity Bible College and Graduate School considers any kind of dishonesty a serious violation of biblical standards. Dishonesty can have implications in grading, graduation, GPA, financial aid, sports and ministry participation, and personal reputation.

## Academic Amnesty

Students who have interrupted their education for a period of seven or more years may request to have a semester or more of poor academic achievement removed from their transcripts. Only complete semesters may be removed. Such courses and the corresponding grades will appear on students' academic records, but letter

grades will not be calculated for GPA purposes. In addition, a notation of this action will be made on the transcript. Any courses excluded may not be used to satisfy any academic requirements.

Students must request academic forgiveness in writing to the Office of Academic Affairs. The academic affairs committee will review requests and determine approval. The request should include the semesters under consideration and evidence that the past record is inconsistent with their present level of achievement.

If an amnesty student wishes to apply for financial aid, they must also appeal to financial aid for SAP considerations. They must follow the protocols listed for SAP appeal under the Finances portion of the catalog.

### **Changing a Grade**

Changing a grade on a transcript will be allowed in only two circumstances: 1) Students have properly applied for an incomplete grade and have finished the work, or 2) The instructor has made an error in calculating the grade.

Grades cannot be changed later than the semester following the application of an incorrect grade except Chapel and Student ministry unsatisfactory grades which may be corrected at a later date.

Grade changes can only be made by filling out the Grade Change Form by the faculty member and returned to the Academic Records office. Grade change forms may be obtained in the Academic Records office.

### **Incomplete Grades**

A grade of incomplete is negotiated when the student has been unable to meet the requirements of a course because of extenuating circumstances (family tragedy, serious illness, etc.). Such negotiations will take place between the student, the instructor, and the department chair under which the instructor teaches. In those instances where the department chair is the instructor, the Academics will serve as the chair.

The grade of incomplete must be removed within a single six-week period following the end of a semester. If the deficiency is not made up within the six-week period, the incomplete will revert to the grade earned at the time the incomplete was negotiated.

Appeals must be submitted in writing to the Academics office.

Exception: Internships that extend beyond the following semester.

## Midterm Grades

Midterm grade information is available to students via their access to the web portal.

## Repeating Failing Courses

Trinity Bible College and Graduate School considers biblical studies courses which are required by students' majors or minors, along with certain general education requirements to be "core" courses. A grade of "F" is not acceptable, and such courses must be successfully repeated. Students who have received an "F" in any non-core or elective course may graduate with the "F" on their transcript as long as they:

- Successfully complete the total number of credits required by their programs.
- Maintain both a cumulative and professional GPA that meets their program requirements.

Although successfully retaking a course is the best way to improve students' GPAs, they are not required to retake non-core courses. When retaking a class only the most recent attempt at the course is used to calculate the cumulative GPA. Please check with Financial Aid to see if the course to be retaken will be covered by federal financial aid.

## Honors

### Latin Honors

Exceptional scholarship is recognized upon graduation according to the following scale of cumulative grade point averages:

Summa cum laude	3.80 or higher
Magna cum laude	3.65 to 3.79
Cum laude	3.50 to 3.64

### Dean's List

The dean's list is posted at the end of each semester to recognize full-time students who have attained the semester grade point average of 3.60 to 4.00.

### Valedictorian and Salutatorian

The senior with the highest cumulative GPA having completed Trinity credits equivalent to senior standing will be honored as the valedictorian.

The senior with the second highest cumulative GPA having completed Trinity credits equivalent to senior standing will be honored as the salutatorian.

Traditionally, the valedictorian has the highest GPA of the BA graduates and the Salutatorian has the next highest. The semester used for the GPA is the semester before the last term. For a December graduate it would be the previous spring, for a May graduate it would be the fall term.

There are some extenuating circumstances that may change this decision.

**Transfer credits:** Since TBC does not count the GPA of transfer credits, the GPA from Trinity credits will be the ones that are counted. Transfer students who have less than 12 transfer credits will be the only ones considered. If there is a tie between a student(s) who have only attended TBC and one(s) who have transfer credits, the student who only attended TBC will be chosen.

**Multiple 4.00 graduates with Trinity credits:** A determination will be made by the Academic Affairs committee and the President.

**Student Speaker Choice:** A list of the top GPA students (transfer and Trinity credits) is presented to the Academic Affairs, Graduation Committee, and the President. Recommendations are made by the Academic Affairs and Graduation Committee and the President will choose the student speaker. At times they are the same as the Valedictorian or Salutatorian but at other times they will not be the same.

### **Honor Societies**

Trinity Bible College and Graduate School students may be nominated for membership in three honor societies:

#### **The Association for Biblical Higher Education National Honor Society, Delta Epsilon Chi**

(Approved in Christ, Rom. 16:10) The society limits nominees to no more than seven percent of the graduating class and requires good Christian character, leadership ability, and a 3.30 cumulative GPA. Fifty percent of the college program must be completed at Trinity Bible College and Graduate School in order to receive this honor at graduation.

#### **General Council of the Assemblies of God Sigma Chi Pi**

(Diligent Christian Leader) The society is limited to not more than seven percent of the graduating class and must meet the following qualifications: 3.50 cumulative GPA, approved Christian character, and diligent servant leadership. Fifty percent of the college program must be completed at Trinity Bible College and Graduate School in order to receive this honor at graduation.

#### **Who's Who among Students in American Universities and Colleges**

Since 1934 Who's Who among Students in American Universities and Colleges has honored outstanding students from more than 2,842 institutions of higher learning in all 50 states and the District of Columbia. Nominated by the faculty, the annual directory

includes the names of students based on their academic achievement, campus leadership, and curricular and extracurricular involvement.

## **Academic Probation and Termination**

### **Academic Probation**

Students who fail to meet the minimum cumulative GPA of 2.00 will be placed on academic probation. The following academic probationary sanctions apply:

- **Require ASC Hours:** Students on academic probation are required to spend time in the Academic Support Center (ASC). Students will be assigned and attend two 50-minute tutoring session(s) in the ASC each week of the semester.
- **Accountability Meetings:** Students must meet with their advisor regularly and with the ASC coordinator as designated on their contract.
- **Limited Course Load:** Students may be limited to the number of credits allowed during a probationary semester. Any student wishing to take more than 13 credits will need the approval of the Academics.
- **Limited School Sponsored Activities:** Students are prohibited from participating in official college-sponsored activities (e.g., fine arts and promotional groups, athletic teams, class or student government leadership, student ministry group leadership, etc.).

### **Academic Termination**

Students who fail to achieve the required academic standards over a period of two consecutive semesters will be asked to withdraw for a minimum of one semester before they will be allowed to continue in their academic program. If these students wish to return, they must reapply through the Admissions office. If readmitted, they may be given a limited course load and/or will be placed on Academic Probation, and be required to fulfill the terms of the ASC contract.

Responsibility for all matters relating to continued enrollment while on academic probation belongs to the Academics.

### **At-Risk**

Students whose term GPA drops below 2.00 but whose cumulative GPA remains above 2.00 are identified as “at-risk”. These students may be assigned to two 50-minute tutoring session(s) in the Academic Support Center (ASC) each week of the semester.

### **Probation and United States Veterans**

Students receiving educational benefits from the Veteran’s Administration (VA) must maintain satisfactory progress and attendance for any degree program. Veterans placed on academic termination may not be eligible for continued benefits. Trinity notifies the Veteran’s Administration of students on suspension status and of changes in enrollment status. Students are responsible for notifying the certifying official at Trinity of any reduction or termination of school attendance and for any overpayment of benefits resulting from a change in enrollment.

### Correction of Education Records

Students have the right to request corrections in their records which they believe are inaccurate, misleading, or in violation of their privacy rights. Following are the procedures for the correction of records:

- Students must ask the appropriate Trinity Bible College and Graduate School official to amend the record. In so doing, students should identify the portion of the record they want changed and specify why they believe it is inaccurate, misleading, or in violation of their privacy or other rights.
- Trinity Bible College and Graduate School may or may not decide to comply with the request. If Trinity decides not to comply, students will be notified by the college of the decision, along with supporting rationale, and advise those students of their right to a hearing to challenge the information believed to be inaccurate, misleading, or in violation of those students' rights.
- Should students disagree with the decision regarding the request for a correction of their education record, they may appeal in writing to the appropriate college official.
- A hearing officer who is a disinterested party will conduct the hearing; however, the hearing officer may be an official of the institution. Students shall be afforded a full and fair opportunity to present evidence relevant to the issues raised in the original request. One or more individuals, including an attorney, may assist students.
- Trinity Bible College and Graduate School will prepare a written decision based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision.
- If Trinity Bible College and Graduate School decides that the challenged information is not inaccurate, misleading, or in violation of students' right of privacy, it will notify those students they have a right to place in the record a statement that comments on the challenged information or sets forth reasons for disagreeing with the decision. The statement will be maintained as part of students' education records as long as the contested portion is maintained. If Trinity Bible College and Graduate School discloses the contested portion of the record, it must also disclose the statement.
- If Trinity Bible College and Graduate School decides that the information is inaccurate, misleading, or in violation of students' right of privacy, it will amend the record and notify those students, in writing, that the record has been amended.

## Family Educational Rights and Privacy Act (FERPA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. FERPA gives eligible students rights to education records. Eligible students have the right to inspect and review their education records maintained by the school. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.

- Eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
  - School officials with legitimate educational interest;
  - Other schools to which a student is transferring;
  - Specified officials for audit or evaluation purposes;
  - Appropriate parties in connection with financial aid to a student;
  - Organizations conducting certain studies for or on behalf of the school;
  - Accrediting organizations;
  - To comply with a judicial order or lawfully issued subpoena;
  - Appropriate officials in cases of health and safety emergencies;
  - State and local authorities, within a juvenile justice system, pursuant to specific State law.
  - To parents of an eligible student if the student is a dependent for IRS tax purposes.
  - To a victim of an alleged perpetrator of a crime of violence on a non-forcible sex offense.
  - To the parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if school determines student committed disciplinary violation and the student is under the age of 21.

Schools may disclose, without consent, "directory" information. The primary purpose of directory information is to allow Trinity Bible College and Graduate School to include this type of information from your education records in certain school written and online publications. Examples include: A playbill, showing your role in a drama production; Dean's List or other recognition lists; Graduation programs; Sports activity sheets showing weight and height of team members.

Trinity Bible College and Graduate School has designated the following information as directory information:

- Student's name
- Address
- Telephone Listing
- Electronic mail address
- Photographs
- Date and place of birth
- Major Field of study
- Dates of attendance
- Grade level
- Participation in officially recognized activities and weight and height of members of athletic teams
- Degrees, honors, and awards received
- The most recent educational agency or institution attended

If you do not want TBC & GS to disclose directory information, without your prior written consent, you must fill out a Ferpa Non Release form in the Academic

Records Office within 15 days of the first day of classes. This will be considered valid and will remain in effect until it is countermanded, in writing, as long as you are an eligible student. You may also fill out the Ferpa Release form for other parties to have access to non-directory information.

Annual Notification: Students are notified annually of their FERPA rights via catalogs, email, orientation, student handbooks and other appropriate communication mediums at Trinity Bible College and Graduate School.

# Baccalaureate Graduation Requirements

Baccalaureate degrees at Trinity Bible College and Graduate School require the satisfactory completion of 120 or more semester hours with a cumulative GPA of not less than 2.00.

Associate degrees require the satisfactory completion of 60 or more semester hours with a cumulative GPA of not less than 2.00.

Normal progress for completion of the baccalaureate degree in four academic years requires the satisfactory completion of an average of fifteen credit hours each semester.

## Application for Graduation

The application for graduation should be made to the academic records office by September 30 of the academic year of expected graduation. This may be done in the academic records office or online under Academics.

## Assessment and Requirements for Graduation

1. Each academic department establishes outcomes assessment requirements for each program. Students are required to meet the outcomes assessment requirements for the biblical studies core, general education core, and their area(s) of study, whether major or minor(s).
2. All BA graduates are required to take a standardized general education outcomes assessment test and a Bible content exam during their final semester.
3. Earn a grade of "C" or better in
  - Developmental English (if required)
  - English Composition I
  - English Composition II
  - Fundamentals of Math (if required)
4. Students who graduate from Trinity Bible College and Graduate School should give evidence of strong Christian character in their lives. Disciplinary issues may hinder graduation.
5. Students anticipating graduation during the academic year must have a satisfactory grade for chapel attendance during the two semesters immediately preceding their graduation. Students who fail to meet the requirement will not be able to graduate until this is resolved. Contact the Student Life Office before the last semester to have an unsatisfactory grade changed.
6. Student Ministry requirements are part of TBC & GS's continuing vision for all students to incorporate outreach and Christian involvement into their daily lives. The transcript should have NO unsatisfactory grades for graduation. Contact the Student Life Office before the last semester to have an unsatisfactory grade changed.
7. The Student Life office has a point system for discipline. (See Student Handbook for explanation). If a student reaches 50 points accumulation, the student is not eligible for graduation.

### **Declining a Degree**

Occasionally, students will pursue multiple majors and/or minors and will complete all of the requirements for a bachelor's degree; however, they may desire to continue taking additional undergraduate courses. Students will be allowed to pursue additional program credits without accepting their original degree. Students may decline degrees as long as they do not exceed 150% of the time and credits allowed by the program. Students who decline degrees must maintain enrollment. Students wishing to pursue a separate program at another institution will also be required to maintain enrollment at Trinity. When students complete the baccalaureate course of study and receive their degrees, they are no longer eligible to receive Pell Grants. Students are responsible to make an application to the academic records office when they are ready to receive their degrees. However, students who break enrollment may no longer defer their degrees and such degrees will be conferred. VA students are not paid for classes that are not applicable for their chosen degree(s).

### **Financial Matters**

All financial requirements must be satisfactorily completed with the financial aid and business offices prior to the date of graduation. Official transcripts and diplomas will be withheld until both Financial Aid and Student Accounts issues are settled.

### **Commencement**

Commencement is held once a year at the end of the spring term. At the time of completing the graduation application, students indicate whether or not they will attend. Attendees are expected to participate in all scheduled rehearsals for commencement exercises. Students who graduate in December are invited to participate in commencement the following spring. Students who are registered for any remaining coursework to be completed in the summer session may also participate in the spring commencement. Please note, walking in commencement does not guarantee degree completion.

### **Issuance of Degrees**

Degrees are only awarded three times a year at the end of each term in December, May, and August. If a student does not fulfil all of the graduation requirements in time for a term's deadline, he or she will be put forward to the following term graduation date. Degrees are awarded only after all grades are finalized and all graduation requirements are met. Diplomas are mailed to students by the Academic Records office once degrees have been awarded and they have been cleared by the Financial Aid and Student Accounts offices.

## Baccalaureate Degrees

Trinity Bible College and Graduate School offers the following Baccalaureate (BA) Degrees;

### Single major:

Biblical Studies, this BA must include a minor

### Double majors paired with a BA in Biblical Studies:

- Business Administration
- Exercise Science
- General Studies
- Intercultural Studies
- Children's Ministry
- Pastoral Ministry
- Worship Ministry
- Youth Ministry
- Elementary Education
- Physical Education

Any BA degree may be enriched by the addition of a minor. Minors are available in Business Administration, Church Ministries, Coaching, Intercultural Studies, Music, and Theology.

All BA programs at TBC & GS include a biblical studies core of 30 semester hours and a general education core of 36 semester hours.

### **English and Math Requirements**

Entrance to English and math courses is determined by placement scores. ENGL 031, Developmental English and MATH 030, Fundamentals of Math, are for students whose placement scores indicate they are not ready for college level English or math. These courses count as three credits in the semester schedule, but are not considered college level so do not count towards the total credits needed for graduation.

### **Course Substitutions for Biblical Studies Core courses**

Students in any major, may apply to substitute BIBL 150, Old Testament History and Literature with THEO 434, Old Testament Theology and/or BIBL 151, New Testament History and Literature with THEO 435, New Testament Theology. BIBL 150 and BIBL 151 are three credits each and THEO 434 and THEO 435 are two credits each, thus the credit shortfall must be made up with another BIBL or THEO class.

Students in any major may substitute LANG 435, Biblical Hebrew as an Old Testament Bible elective and/or LANG 331, New Testament Greek as a New Testament Bible elective.

# Course Information

## Undergraduate Level Course Designations

Area	Code Prefix	Area	Code Prefix
Biblical Studies	BIBL	Language	LANG
Business	BUSI, BUIT, BUSM	Math	MATH
Church-related	CHUR	Music	MUSI
Communications	COMM	Philosophy	PHIL
Teacher Education	EDUC	Practical Ministry	PMIN
English & Literature	ENGL	Psychology	PSYC
Health, Physical Educ. & Exercise Science	HPEX	Science	SCIE
Historical Theology	HITH	Sociology	SOCI
History	HIST	Theology	THEO

## Graduate Level Course Designations

Area	Code Prefix	Area	Code Prefix
Biblical Studies	BS	Practical Theology	PT
Contextual Studies	CS	Theology	TG
Leadership Development	LD	Thesis	TH

## Number System

0XX	Remedial Courses (Remedial courses do not count toward graduation requirements and do not fulfill any program requirements, including general electives.)
1XX	Freshman Courses
2XX	Sophomore Courses
3XX	Junior Courses
4XX	Senior Courses
5XX-6XX	Masters Courses

# Bachelor of Arts Biblical Studies Major with a Minor

The Biblical Studies major combines core courses in biblical studies/theology, general education, electives, and a minor of the student's choice to total 120 credits.

Minors available are listed below. General electives can be used to pursue a second minor.

## Learning Outcomes

Upon completion of the Biblical Studies courses, students should be able to:

- Demonstrate an understanding of the major biblical and theological truths of God's Word.
- Utilize sound interpretive skills to study the Bible and discover universal theological principles and how they apply to a person's life today.
- Recognize God's revelation of himself as recorded in the Bible and describe Christian doctrines and theology, including Assemblies of God Pentecostal Distinctives.

## Outcomes Assessment

The outcomes assessment requirement for the Biblical Studies major includes:

- A standardized outcomes assessment test, taken during the senior year.
- A Bible content test.

## Minors

Business Administration	18
Church Ministries	18
Coaching	19
Intercultural Studies	18
Music	20
Theology	18

# **Bachelor of Arts in Business Administration**

## **Bachelor of Arts Degree in Business Administration**

The Bachelor of Arts degree in Business Administration is designed to provide graduates with the skills necessary for a career in business. It encourages individuals to develop a Christian-based worldview and a broad understanding of the issues that impact the business environment at both a macro and a micro level. The program is designed to prepare students for positions in non-profit or for-profit organizations in a variety of business industries.

## **Learning Outcomes**

Upon successful completion of the Associate of Arts degree in Business Administration, students should be able to:

- Demonstrate competence in core business principles and strategies.
- Articulate ethical issues that occur in business and examine alternative courses of action within the context of a Christian worldview.
- Manage resources efficiently and effectively, interpret business decisions with a market orientation, and incorporate economic/financial implications in organizational decision making.
- Demonstrate effective oral and written communication skills.

## **Outcomes Assessment**

The outcomes assessment requirement for the Bachelor of Arts degree in Business Administration includes:

- Classroom tests
- Course projects, case studies, and research papers
- A Bible Content Exam
- Successful completion of BUSI 433: Business Policy and Strategic Management
- Completion of the Business Administration program

## **Completion of the Business Administration Program**

Completion of the Business Administration program requires:

- A grade of "C" or Higher in all BUSI courses
- A cumulative GPA of 2.00 or higher
- A professional GPA of 2.20 or higher

# Bachelor of Arts in Exercise Science

## Bachelor of Arts Degree in Exercise Science:

Trinity Bible College & Graduate School's Exercise Science program exists to prepare Christ-centered strength and conditioning coaches, pre-athletic trainers, and personal trainers as they serve within their respected communities as godly influences.

## Learning Outcomes:

- Apply appropriate research methods and study tools in the writing of research papers throughout classes and in the Biblical Studies core.
- Recognize God's revelation of himself as recorded in the Bible and describe Christian doctrines and theology, including Assemblies of God Pentecostal Distinctive.
- Effectively and successfully apply exercise science theories and best practices in their particular field of education.
- Apply knowledge and understanding of appropriate practices that will afford their clients/students best opportunity to experience success no matter age, gender, and/or cultural diversity.

## Outcomes Assessments:

- A standardized outcomes assessment test, taken during the senior year
- A Bible content exam
- Exercise Science Licensure and Membership
- A cumulative GPA of 2.00 or higher.
- A professional GPA of 2.20 or higher.
- Satisfactory Practicums (Sophomore and Junior)
- Student Interviews (Sophomore & Senior)

## Bachelor of Arts in General Studies

In this BA degree, a General Studies major is combined with a Biblical Studies major and is designed for students who desire both a strong biblically based education and a greater general education emphasis. This double major is often chosen by students who are looking for a more traditional liberal arts education. It is administered by the General Education Department.

### Learning Outcomes

Upon completion of the general education courses, students should be able to:

- Demonstrate critical thinking and reasoning processes.
- Communicate effectively in oral and written form.
- Demonstrate reading comprehension in the humanities, social sciences, and natural sciences.

### Outcomes Assessment

The outcomes assessment requirement for the General Studies major includes:

- Taking a standardized general education outcomes assessment test during the final semester.
- Successful completion of a Senior Seminar with a synthesis paper.

## General Studies / Biblical Studies Major Program Requirements

Biblical Studies Major (30 credits)			Program Specific courses

# Bachelor of Arts in Intercultural Studies

## Overview

The Intercultural Studies major is designed to prepare students with in-depth knowledge of the nature of cultures, prepares students to effectively live, interact, and communicate the gospel in multicultural environments. Integrating classroom learning with field experience, the Intercultural Studies major, helps students acquire the practical skills necessary to effectively minister cross-culturally overseas and/or in the United States. Additionally, graduates with an Intercultural Studies major will be prepared to pursue graduate level studies.

## Objectives

Upon completion of the Intercultural Studies major, students should be able to:

- Understand that the character of Christ and a servant's heart is the basis for service;
- Identify the major religions of the world and how to communicate the gospel to those of other faiths;
- Articulate an understanding of the biblical basis, history, trends, concepts, strategies, theology, and the dynamics of intercultural service;
- Implement strategies to successfully live, relate, and work in cross-cultural contexts;
- Integrate theory and practice in a field experience (internship);
- Demonstrate professional skills;
- Develop an attitude of acceptance and appreciation of other cultures and peoples.

## Internship

Students must complete an internship before their final semester of school. Normally, internships are completed in the summer between the junior and senior year. Therefore, at the beginning of the junior year, students need to have their prospective internship in focus. All internships must have prior approval from the department of Intercultural Studies.

## Outcomes Assessment

The outcomes assessment requirement for the Intercultural Studies major includes:

- A standardized outcomes assessment test, taken during the senior year;
- A bible content exam;
- Successful completion of the Intercultural Studies Senior Seminar;
- Successful completion of an Intercultural Studies Internship.

# Bachelor of Arts in Ministry

Trinity offers four BA ministry majors: Children's Ministry, Pastoral Ministry, Worship Ministry, and Youth Ministry. Each of these majors, in combination with the Biblical Studies major, is designed for students wishing to pursue full-time vocational ministry. Because Trinity Bible College and Graduate School does not grant ministerial credentials, students desiring credentials are advised to check with an official in the district/denomination from which they wish to receive credentials to determine the specific procedure and requirements of that district/denomination. The ministry majors require the completion of the Ministerial program as outlined in the *Ministerial Handbook*.

## Learning Outcomes

Upon completion of the any ministry major, students should be able to:

- Prepare and preach sermons that communicate the content and teachings of the Word of God.
- Demonstrate an understanding of the practical aspects of the ministry, such as ceremonies, budgets, and conflict resolution.
- Integrate theory and practice in ministry.

## Declaration of Program

Students entering Trinity Bible College and Graduate School will declare their ministry major during their first semester.

## Pastoral Ministry Learning Outcomes

Upon completion of the Pastoral Ministry major, the student should be able to:

- Articulate a clear biblical/theological presentation of the Gospel message.
- Develop a strategic plan that will guide the spiritual and practical development of the local church.

## Children's Ministry Learning Outcomes

Upon successful completion of the core class for the Children's Ministry major, students should be able to:

- Understand the psychological, social, and spiritual development of children.
- Develop a strategic plan for ministry to children.
- Develop effective presentations and communication appropriate to children including the use of multi-media.

## Worship Ministry Learning Outcomes

Upon successful completion of the core classes for Worship Ministry, students should be able to:

- Understand the role of music and worship in the life of the Church and Christian life.
- Develop a strategic plan for innovative ministries of worship in various settings.
- Recruit, equip and lead others effectively in creating meaningful acts of worship that guide others in their walk with Christ.

### **Youth Ministry Learning Outcomes**

Upon successful completion of the core classes for the Youth Ministry major, the student should be able to:

- Understand the psychological, physiological, social, and spiritual development of adolescents.
- Develop a strategic plan for ministry to youth.

### **Application to the Ministerial Program**

Initial application into the Ministerial program is usually made during the second semester of the sophomore year during PMIN 280 Ministerial Practicum II. Admission into the program requires completion of THEO 165 Introduction to Worldview and Theology and PMIN 180 Ministerial Practicum I with a grade of “C” or higher.

For further details see the *Ministerial Handbook*.

### **Acceptance into a Ministry Program**

Formal acceptance into any Ministerial program requires:

- A cumulative GPA of 2.00 or higher.
- A completion of BIBL 253 Hermeneutics with a grade of “C” or higher.
- An interview with and approval by the Biblical and Theological Studies Department.

### **Ministry Internship**

A number of options are available for students to complete their internship requirement. These include an eight-week summer internship, a sixteen-week local internship concurrent with the fall and spring semesters.

### **Completion of a Ministerial Program**

Completion of any ministry major requires

- A grade of “C” or higher in
  - THEO 165 Introduction to Worldview and Theology
  - PMIN 180 Ministerial Practicum I
  - PMIN 280 Ministerial Practicum II
  - PMIN 480 Summer Internship (or one of the other ministerial internships)
- A cumulative GPA of 2.00 or higher.
- A professional GPA of 2.20 or higher.

Students who have met the above criteria must be formally interviewed and approved by the Biblical and Theological Studies Department. For further details consult the *Ministerial Handbook*.

### **Outcomes Assessment**

The outcomes assessment requirement for the ministry majors includes:

- A standardized outcomes assessment test, taken during the senior year.
- A Bible content exam.
- Acceptance into and completion of the Ministerial Program.

## Department of Teacher Education

**Mission Statement:** Trinity's Department of Teacher Education exists to prepare knowledge-based and Christ-centered highly qualified teachers.

The Department offers two BA degrees; Elementary Education and Physical Education. Each of these majors, is combined with the Biblical Studies major, to prepare teachers for public, private, or Christian schools. The student is prepared in the knowledge and skills of teaching within a framework of Christian attitudes and principles. Upon successful completion of these programs, the student will be eligible to apply for teaching certification from the state of North Dakota.

### Learning Outcomes:

- Apply appropriate research methods and study tools in the writing of research papers throughout upper level classes in the Biblical Studies core.
- Recognize God's revelation of himself as recorded in the Bible and describe Christian doctrines and theology, including Assemblies of God Pentecostal Distinctives.
- Effectively and successfully apply educational theories and best instructional practices
- Apply knowledge and understanding of appropriate teaching practices that will afford students the best opportunity to experience educational success no matter age, gender, and/or cultural diversity.

### Admission to Teacher Education Program:

In accordance with the mission of the college, the North Dakota state guidelines and regulations, admission and acceptance into the Teacher Education Program is as follows:

- Successfully complete EDUC 250 Foundations of Education, with a grade of "C" or above.
- Have a cumulative GPA of 2.5 or above.
- Receive an acceptable score on the Praxis Core test which is taken at the student's expense.
- Complete a formal application including references to be given to the Teacher Education Committee preferably prior to the second semester of the sophomore year.

### Admission to Student Teaching:

Application is made to the Teacher Education Committee for admission to student teaching at the end of the semester prior to the semester in which the student intends to student teach. The student's advisor must show that all of the professional education courses will have been completed before the student teaching begins. The student must have a cumulative GPA of 2.7 in the professional education courses and a 2.5 cumulative GPA for all courses before the student teaching semester begins.

### Outcomes Assessments:

- A standardized outcomes assessment test, taken during the senior year
- A Bible content exam
- Praxis Core, Praxis PLT, and Praxis Content Core passed successfully
- Minimum cumulative GPA requirement of 2.5
- Student Portfolios
- Student Interviews (sophomore & senior)

## Elementary Education / Biblical Studies Major

## ITCS 4+1

Intercultural Studies majors have an exciting new option of doing their BA degree in conjunction with a Master of Arts Missional Leadership. In their junior year they begin taking some graduate level courses which apply towards the MA (ML). This means a successful student may complete the Master of Arts in a fifth academic year.

ITCS students interested in pursuing their BA and MA in five years, must make an official request in writing submitted to the ITCS Department by the end of fall semester of sophomore year. The ITCS committee considers all requests and makes recommendations to the graduate school. During the senior year the students make separate application to the graduate school in order to complete the MA degree in their fifth year.

## Accelerate Program 5 Year BA/MA

BA ministry majors have the option of completing their studies with a Master of Arts degree in either Missional Leadership or Rural Ministries. In their senior year they will take some graduate classes which will apply toward the Master's degree. This enables the successful student to complete an MA in a fifth academic year.

Application must be made to the Graduate Studies Department. The student must receive the approval of the Biblical/Theological Department, as well as the Registrar.

Students may choose to earn a Master of Arts degree in either Missional Leadership or Rural Ministries with an undergraduate degree in either Children's Ministries, Pastoral Ministries, or Youth Ministries. This provides six different tracks to the 5 Year BA/MA.

## Accelerate: BA Children's Ministry / Biblical Studies & MA Missional Leadership

### Program Requirements

**120 credits for Bachelor of Arts degree / 30 credits for the Master of Arts degree**

#### **Biblical Studies Major (30 credits)**

BIBL 150	Old Testament History & Literature	3
BIBL 151	New Testament History & Literature	3
BIBL 152	Life of Christ	2

## Accelerate: BA Pastoral Ministry / Biblical Studies & MA Missional Leadership Program Requirements

**120 credits for Bachelor of Arts degree / 30 credits for the Master of Arts degree**

### Biblical Studies Major (30 credits)

BIBL 150	Old Testament History & Literature	3
BIBL 151	New Testament History & Literature	3
BIBL 152	Life of Christ	2
BIBL 153	Acts	2
BIBL 253 <sup>1,2</sup>	Hermeneutics	3
HITH 151 <sup>1</sup>	Pentecostal Heritage	2
PHIL 254	Ethics	2
PHIL 453	Applied Apologetics & Evangelism	2
THEO 165	Intro to Theology & Christian WV	3
THEO 251 <sup>3</sup>	Sys Theo I; Scripture, God, Creation	3
BIBL xxx	One Old Testament elective	
BIBL xxx	One New Testament elective	
BIBL/THEO	BIBL/THEO elective to total 30 credits	

### General Education (36 credits)

BUSI 158	Personal Finance	2
COMM 210	Public Speaking	3
ENGL 111/113	English Composition I / Honors I	3
ENGL 112/114	English Composition II / Honors II	3
HPEX 110	Health Concepts	1
PSYC 101	Intro to College & Spiritual Formation	2
PSYC 210	General Psychology	3
History	CS520 Missional Movements in Review	3
Humanities	LD610 Global Scholar Seminar	3
Literature	choose 1	3
Math	100 level or above	3
Science	choose 1	4
Sociology	SOCI 213 Marriage & Family	3

<sup>1</sup> Indicates courses used to calculate professional GPA

<sup>2</sup> All ministerial majors must pass these classes with at least a C

<sup>3</sup> Systematic Theo I, II, III, IV may be taken in any order

<sup>4</sup> PMIN 403 may be substituted with PMIN 405 Church Planting and Leadership

### Program Specific courses

#### Ministerial Core

ITCS 101	Introduction to Global Missions	2
PMIN 180 <sup>1</sup>	Ministerial Practicum I	1
PMIN 280 <sup>1,2</sup>	Ministerial Practicum II	1
PMIN 345 <sup>1</sup>	Foundations for Student Ministries	3
PMIN 352 <sup>1</sup>	Principles of Preaching	3
PMIN 355 <sup>1</sup>	Pastoral Theology	3
PMIN 420	Church Administration	2
PMIN 480 <sup>1,2</sup>	Summer Internship	4
THEO 252 <sup>3</sup>	Sys Theo II; Humanity, Sin, Christ, Salvation	3
THEO 361 <sup>3</sup>	Sys Theo III; Holy Spirit, Church, Last Things	3

#### Pastoral Ministry

Music Elective	MUSI 252 Tech for Church Music	2
<u>Choose 1</u>	MUSI 352 Music for Ministry	2
	MUSI 353 Worship Leading	3
PMIN 320	Principles of Pastoral Care	3
PMIN 353 <sup>1</sup>	Advanced Preaching	3
PMIN 403 <sup>1,4</sup>	Church Health, Growth, & Leadership	3
PMIN 471 <sup>1</sup>	Senior Seminar	1
PSYC 411	Pastoral Care & Counseling	3
PT510	Research Methods I: Perspectives & Resources	3
THEO 362	Sys Theo IV; Pentecostal Distinctives	2

Many graduate courses are taught on an alternating year schedule. From the list below, three are taken in the senior year as part of the BA. CS 610, TH690, and remaining courses count only towards the MA.

CS510	Introduction to Mission & Culture	3
CS610	Research Methods II: Thesis Proposal	3
CS620	Biblical Theology of Justice	3
LD510	Role of Team in Leadership	3
LD520	Organizational Development & Strategic Planning	3
LD530	Contemporary Models of Missional Leadership	3
LD610	Global Scholar Seminar	3
LD620	Generational Succession	3
PT610	Ethical Foundations for Christian Leadership	3
PT620	Contemporary Preaching / Communication	3
TH690	Thesis	9

## Associate of Arts Programs

Trinity Bible College and Graduate School offers the following Associate (AA) Degrees;

- Biblical Studies
- Business Administration
- General Studies

All AA programs at TBC & GS total 60 semester hours and include a biblical studies core of 14 semester hours and a general education core of 26 semester hours.

### English and Math Requirements

Entrance to English and math courses is determined by placement scores. ENGL 031, Developmental English and MATH 030, Fundamentals of Math, are for students whose placement scores indicate they are not ready for college level English or math. These courses count as three credits in the semester schedule, but are not considered college level so do not count towards the total credits needed for graduation.

### Course Substitutions for Biblical Studies Core courses

Students in any major, may apply to substitute BIBL 150, Old Testament History and Literature with THEO 434, Old Testament Theology and/or BIBL 151, New Testament History and Literature with THEO 435, New Testament Theology. BIBL 150 and BIBL 151 are three credits each and THEO 434 and THEO 435 are two credits each, thus the credit shortfall must be made up with another BIBL or THEO class.

# Associate of Art in Biblical Studies Program Requirements

The Associate of Arts degree in Biblical Studies is designed for students desiring a background in biblical and theological studies. This program provides the education requirements for the certified minister credential with the General Council of the Assemblies of God. Credit from the Associate of Arts degree may be applied toward a Bachelor of Arts degree for students who desire to continue their education. Students will gain valuable ministry experience through involvement in the student ministries program, chapel, services, and other ministry opportunities available throughout the year.

## Learning Outcomes

Upon completion of the Associate of Arts in Biblical Studies, students should be able to:

- Demonstrate an understanding of the major biblical and theological truths of God's Word.
- Utilize sound interpretive skills to study the Bible and discover universal theological principles and how they apply to a person's life today.

## Outcomes Assessment

The outcomes assessment requirement for the Associate of Arts in Biblical Studies includes:

- A Bible content exam.
- Specific assignments and tests in designated courses.

## AA Degree Biblical Studies Program Requirements

# Associate of Arts in Business Administration

The Associate of Arts degree in Business Administration is designed to provide graduates with the skills necessary for employment and/or a base for continuing education. This program is intended for students desiring positions as entry-level workers in retail, wholesale, manufacturing, and service industries.

## Learning Outcomes

Upon successful completion of the Associate of Arts degree in Business Administration, students should be able to:

- Demonstrate competence in core business principles and strategies.
- Communicate effectively using appropriate research style and methods.
- Recognize ethical business practices in the context of the Christian worldview.
- Apply business principles in the areas of Accounting, Economics, Business Law, and Entrepreneurship.

## Outcomes Assessment

The outcomes assessment requirement for the Associate of Arts in Business Administration includes:

- Classrooms tests
- Course projects and case studies

## Associate of Arts in General Studies

The Associate of Arts degree in General Studies is designed for students who desire a broad educational foundation. This degree requires 64 credits from a combination of core courses in general education and biblical/theological studies, plus electives. Degree students who decide to continue their education can make the transition to a Bachelor of Arts degree program without a loss of credits. The Associate of Arts degree is administered by the General Education Department.

### Learning Outcomes

Upon successful completion of the Associate of Arts degree in General Studies, students will be able to:

- Demonstrate critical thinking and reasoning processes.
- Communicate effectively in oral and written form.
- Demonstrate reading comprehension in the humanities, social sciences, and natural sciences.

### Outcomes Assessment

The outcomes assessment requirement for the Associate of Arts in business management includes:

- Classroom tests
- Course projects
- Case studies
- Course assignments

## AA Degree General Studies Program Requirements

# Minors

A minor is an opportunity for a student to enrich his or her BA degree with a secondary area of interest. Minors are 18 – 20 semester hours of specified course work. A student should declare a minor by the sophomore year in order to fit the courses into his or her program of study. It is the student's responsibility to ensure all the classes for the minor are taken in time to fulfill graduation requirements.

Minors are available in:

- Business Administration
- Church Ministries<sup>1</sup>
- Coaching
- Intercultural Studies
- Music
- Theology

<sup>1</sup>This minor is **NOT** available for Ministry Majors.

The Church Ministries Minor is designed for those taking the Biblical Studies Major with a Minor or other non-ministerial major.

### **Business Administration Minor**

The Business Administration Minor is designed to familiarize students with basic biblical business skills for use in a local small business or church administrative setting.

### **Learning Outcome**

Upon successful completion of the Business Administration Minor, students should be able to:

- Demonstrate entry-level competence in core business principles and strategies.
- Recognize ethical business practices in the context of a Christian Worldview.

### **Outcomes Assessment**

The outcomes assessment requirement for the Business Administration Minor includes:

- Classroom tests
- Course projects, case studies, and research papers.

### **Business Administration Minor Program Requirements (18 credits)**

BUSI 157	Introduction to Business	2
BUSI 301	Business Law	3
BUSI 325	Entrepreneurship	3
BUSI 401	Christian Leadership & Ethics	3
BUSI 470	Senior Seminar - Business	1
Economics elective: 3 credits (choose 1)		3
Accounting Elective: 3 credits (choose 1)		3

## Church Ministries Minor

The church ministry minor is designed to prepare students for involvement in a local church setting.

### Learning Outcomes

Upon completion of the church ministries minor students should be able to:

- Articulate Biblical truths in today's culture.
- Demonstrate familiarity with various age levels and ministries within the local church.

### Outcomes Assessment

The outcomes assessment requirement for the church ministries minor includes:

- A Bible content test.
- Specified assignments in designated courses.

### Church Ministries Minor<sup>1</sup>

#### Program Requirements (18 credits)

PMIN 345	Foundations for Student Ministries	3
PMIN 355	Pastoral Theology	3
PMIN ELECTIVES	<b>(6 credits)</b>	
PMIN XXX		3
PMIN XXX		3
System Theology Elective <b>(choose 2)</b>		6
THEO 251	Theology I: Scripture, God, Creation	
THEO 252	Theology II: Humanity, Sin, Christ,	
THEO 361	Theology III: Holy Spirit, Church,	
(Theology I, II, III do not need to be taken in order)		

<sup>1</sup>This minor is **NOT** available for Ministry Majors.

The Church Ministries Minor is designed for those taking the Biblical Studies Major with a Minor or other non-ministerial major.

## Coaching (Sports) Minor

The coaching minor is designed to prepare students to coach at a variety of age levels and in vocational or recreational settings. The 19-credit coaching minor will qualify students to coach in many states that do not require coaches to have a teaching certificate. The program requires instruction in the coaching techniques of two of the following four sports: baseball, basketball, football, or volleyball. Students are instructed in the motivational, administrative, and technical aspects of sport from a biblically based philosophy of coaching. The coaching minor does not lead to a teaching certificate.

### Learning Outcomes

Upon completion of the coaching minor students should be able to

- Demonstrate knowledge of the skills and techniques required for performance in the sports of baseball, basketball, football, and volleyball.
- Develop an understanding of organization and administration of athletic teams.
- Demonstrate a working knowledge of athletics from the perspective of a Christian worldview.
- Understand the anatomical responses to injury and the treatment thereof, taking into account the psychological factors of athletics.

### Outcomes Assessment

The outcomes assessment requirement for the coaching minor includes

- A standardized outcomes assessment test, taken during the senior year (ACT-CAAP)
- A Bible content exam
- Coaching portfolios
- Development of personal coaching philosophy.

### Coaching Minor 18 credits

HPEX 111	Introduction to Nutrition	1
HPEX 112	First Aid, CPR, and AED	0
HPEX 250	Personal Training	3
HPEX 430	Administration of Health, Physical Education, and Athletics	2
HPEX 330	Care and Prevention of Athletic Injuries	2
HPEX 460	Theory of Strength, Conditioning, and Training	3
HPEX 410	Coaching Practicum	1
<u>Any three of the following (6 credits total)</u>		
HPEX 305	Coaching Techniques of Football	2
HPEX 306	Coaching Techniques of Baseball/Soft ball	2
HPEX 309	Coaching Techniques of Basketball	2
HPEX 308	Coaching Techniques of Volleyball	2
HPEX 307	Coaching Techniques of Cross Country/Track	2

## Intercultural Studies Minor

The intercultural studies minor is designed to prepare students whose career aspirations require a strong base in intercultural knowledge such as missions pastors, specialized missionaries, associate missionaries, and short-term missionaries. A minor is not comprehensive but is structured so that the student may gain a meaningful exposure to intercultural studies. After completing the minor, the student should have a grasp of the nature of the discipline and should be adequately prepared to do further work in this area of study.

### Learning Outcomes

Upon completion of the intercultural studies minor, students should be able to:

- Develop a biblical theology of missions.
- Analyze the historical Christian missionary movements in order to develop effective mission strategies.
- Compare and contrast the beliefs, practices, and key historical figures of the world's major religions.
- Demonstrate the ability to effectively live and communicate the gospel in a cross-cultural environment.

### Outcomes Assessment

The outcomes assessment requirement for the intercultural studies minor includes:

- A Bible content test.
- Specified assignments in designated courses.

### Intercultural Studies Minor 18 Credits

ITCS 101	Introduction to Global Missions	2
HITH 161	History of Missions	3
ITCS 254	Theology of Missions	3
ITCS 354	Intercultural Communications	3
ITCS 356	Preparing to Live Interculturally	3
ITCS 357	World Religions	3
ITCS 470	Senior Seminar-ITCS*	1

\* If no other Senior Seminar is required

## Music Minor

These courses are designed to equip students to lead contemporary worship, develop an understanding of the theology of worship, to analyze past and current trends in music, to develop proficiency with harmonic instruments and the voice. Special emphasis is given to fluency in the language of music, aural skills and music theory. Ensemble opportunities are available with the choir, chapel worship teams, or traveling ministry groups.

A written music exam and audition will be required for entrance to the music program.

### Learning Outcomes

Upon completion of the music minor students should be able to:

- Demonstrate a holistic understanding of worship to include one's lifestyle and the worship event.
- Lead a contemporary worship service
- Demonstrate an understanding of the theology of worship
- Analyze past and current trends in music through a theological lens
- Develop proficiency in a harmonic instrument and the voice
- Demonstrate proficiency in the language of music, aural skills, and music theory

### Music Minor

**20 credits**

MUSI 060*	Intro to Music Theory	0
MUSI 120	Choir (.05 x 4 semesters)	2
MUSI 150	Class Piano	1
MUSI 153	Class Guitar	1
MUSI 154	Class Percussion	1
MUSI 162*	Contemporary Music Theory	3
MUSI 163	Aural Skills	3
MUSI 252	Music Technology	2
MUSI 242	Applied Voice	1
MUSI 301	History of Contemporary & Sacred Music	3
MUSI 353	Worship Leading	3

\*MUSI 060 Required of students whose Music Placement Test score indicates a need for remedial studies.

\*MUSI 162 Admittance dependent on student's Music Placement Test score or successful completion of MUSI 060

## Theology Minor

The theology minor is designed to be coupled with the biblical studies major for those individuals who have an interest in theology.

### Learning Outcomes

Upon completion of the theology minor students will be able to:

- Recognize God's revelation of himself as recorded in the Bible, and describe Christian doctrines and sound biblical theology.
- Demonstrate an understanding of how sound theology relates to and impacts everyday life.

### Outcomes Assessment

The outcomes assessment requirement for the theology minor includes:

- A Bible content test.
- Specified assignments in designated courses.

### Theology Minor 18 credits

THEO 251	Systematic Theology I: Scripture, God, Creation	3
THEO 252	Systematic Theology II: Humanity, Sin, Christ, Salvation	3
THEO 361	Systematic Theology III: Holy Spirit, Church, Last Things	3
THEO 362	Systematic Theology IV: Pentecostal Distinctives	2

#### **Choose seven credits from the following courses:**

THEO 351	Modern Religious Cults	3
THEO 434	Old Testament Theology	2
THEO 435	New Testament Theology	2
THEO 439	Special Topics	2
THEO 452	Contemporary Theology	3
ITSC 254	Theology of Missions	3

Systematic Theology I, II, III, IV do not need to be taken in order

## Course Descriptions

### **Biblical Studies: Required Courses**

BIBL 150 Old Testament History and Literature

3 credits

Fall

Students will survey the history and literature of the Old Testament. The primary historical and cultural backgrounds as well as the main theological themes of each book will be examined.

BIBL 151 New Testament History and Literature

3 credits

Spring

Students will survey the history and literature of the New Testament. The primary historical and cultural backgrounds as well as the main theological themes of each book will be examined. Additionally, this course includes a brief introduction of the intertestamental period.

BIBL 152 Life of Christ

2 credits

Fall

Students will investigate the life and message of Jesus Christ as revealed in the four canonical gospels.

BIBL 153 Acts

2 credits

Spring

Students will examine early stages of the church as portrayed in Acts. Special attention will be given to the role of the Holy Spirit in the growth of the church.

BIBL 253 Hermeneutics

3 credits

Fall

Hermeneutics is often called “the science and art of interpreting Scripture.” Thus, emphasis is given in this course to building bridges across the linguistic, cultural, and historical gaps between the Bible and the present-day believer. The role of proper hermeneutics in preaching to a diverse audience is emphasized. Prerequisite: ENGL 112

### **Biblical Studies: Elective Courses**

**\*\*These courses will be offered on a rotational basis as available with at least one Old Testament and one New Testament elective offered every semester.\*\***

BIBL 130 Biblical Studies in Prayer

2 credits

Students will study the theology of prayer in order to develop a personal understanding and practice of prayer.

BIBL 133 Bible Geography and Culture (Can be a Humanities Course) 2 credits

Students will examine the Bible’s geography and unique customs of the biblical world. Particular attention is paid to the relevance of these discoveries for interpreting the Bible.

BIBL 250 Pentateuch

3 credits

This course analyzes the five books of Moses (the Torah) in light of historical, cultural, religious, geographical and political backgrounds. Critical historical and literary issues pertaining to the text’s composition and the events recorded are also addressed. Additionally, the theology of each book as well as that of the Torah as a whole are introduced. Prerequisite: BIBL 150 and BIBL 253

**BIBL 329 Isaiah** 3 credits

This course examines the book of Isaiah, giving attention to authorship and dating issues, the book's theological themes, literary features and the historical context. Special consideration is given to the book's Messianic prophecies. Prerequisites: BIBL 150 and BIBL 253

**BIBL 330 Jeremiah** 3 credits

This course examines the book of Jeremiah and gives attention to authorship and dating issues, the book's theological themes, literary features, and the historical context. Particular attention is paid to Jeremiah's personal life and the hope for the LORD to form a new covenant with Israel. Prerequisites: BIBL 150 and BIBL 253

**BIBL 331 Hebrew Poetry and Wisdom Literature** 3 credits

This course will survey the books of Job, Psalms, Proverbs, Ecclesiastes, Song of Solomon and Lamentations. Students will also examine the nature and styles of Hebrew poetry, the use of this literature in the national and worship life of Israel, and the theological emphases of each book as well as their practical value in Christian life and ministry. Additionally, the unique character of the Wisdom books (Job, Proverbs and Ecclesiastes) will be covered. Prerequisites: BIBL 150 and BIBL 253

**BIBL 332 Corinthians** 3 credits

Students will analyze both of the Apostle Paul's letters to the Corinthians, stressing the historical backgrounds as well as the doctrinal intent of each book. Treatment of matters related to the apostle's personal life is also given. Prerequisites: BIBL 151 and BIBL 253

**BIBL 335 Minor Prophets** 2 credits

This course will investigate each of the twelve Minor Prophets (Hosea-Malachi) with consideration given to each prophet's call, message, and historical context noting significant literary and theological features. Prerequisites: BIBL 150 and BIBL 253

**BIBL 336 The Former Prophets (Joshua, Judges, 1-2 Samuel, 1-2 Kings)** 3 credits

Students will analyze the accounts of Israel's story as recorded in the books of Joshua, Judges, Samuel, and Kings, and an evaluation of various attempts to harmonize that story with other historical evidence. Literary, textual and theological issues, as well as an examination of archaeological evidence, social institutions, and ideology will provide the data for discussing the ideas contained in the Former Prophets and their role as scripture for the Church. Prerequisites: BIBL 151 and BIBL 253.

**BIBL 337 Daniel and Ezekiel** 2 credits

Students will analyze the historical, literary, and theological elements of the books of Daniel and Ezekiel and their role as scripture for the Church. Prerequisites: BIBL 151 and BIBL 253.

- BIBL 350 Pastoral Epistles** 2 credits  
Students will analyze I and II Timothy and Titus, with emphasis upon the interpretation and application of the instructions given concerning the work of the ministry and leadership of the church. Prerequisites: BIBL 151 and BIBL 253
- BIBL 351 Romans / Galatians** 3 credits  
Students will study these two letters, with particular treatment given to the Apostle Paul's foremost theological emphases. Prerequisite: BIBL 151 and BIBL 253
- BIBL 430 Johannine Literature** 2 credits  
This course will analyze the historical, literary, and theological features of the Gospel and three epistles of John with emphasis given to understanding and applying the contributions found in these books. Prerequisites: BIBL 151 and BIBL 253
- BIBL 431 Hebrews** 2 credits  
Students will investigate the historical/cultural background and theology of the book of Hebrews with attention given to Christology and the new covenant. Prerequisites: BIBL 151 and BIBL 253
- BIBL 432 Prison Epistles** 2 credits  
Students will analyze Ephesians, Philippians, Colossians, and Philemon. Consideration will be given to the similarities between the books, especially Ephesians and Colossians, as well as the challenges the writer faced as he neared the end of his life. Prerequisites: BIBL 151 and BIBL 253
- BIBL 433 General Epistles** 2 credits  
Students will study James, I and II Peter, and Jude. Particular treatment of the practical implications of Christianity as well as the eschatological themes in these books will be emphasized. Prerequisites: BIBL 151 and BIBL 253
- BIBL 437 Apocalyptic Literature and the Revelation** 2 credits  
Students will analyze apocalyptic texts of the second Temple period with particular emphasis given to the historical, literary and theological elements of the Revelation and its role as scripture for the Church. Prerequisites: BIBL 151 and BIBL 253 (Previous course code BIBL 436 at 3 credits)
- BIBL 439 Special Topics** 1-6 credits When available  
These courses will be offered by Trinity professors as the need arises for various topics in biblical studies. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

**Business Administration: Required Courses**

BUSI 157 Introduction to Business

2 credits

Fall

This is an introductory course that acquaints students with the American free enterprise system. It surveys the fundamentals of modern business, which include the formation of a firm's mission, objectives, and strategies, types of business ownership, business ethics, social responsibility, and environmental concerns.

BUSI 158 Personal Finance

2 credits

Spring

This course is a survey of the problems and techniques of personal financial planning. Topics covered include consumer credit, insurance, taxes, home ownership, personal investment, managing income, controlling household expenses, and estate planning.

BUSI 301 Business Law

3 credits

Fall even years

This is an introductory study of business law tracing the development from Roman and English law to contemporary applications of law commonly encountered in business today. Special emphasis is placed on contracts, sales, consumer laws, bailments, and agency relationships.

BUSI 325 Entrepreneurship

3 credits

Spring odd years

This course examines the success factors necessary for starting and running a business enterprise. Topics include business concept development, external environment, target market development, product and pricing strategies, financial projections, business funding, and business plan development.

BUSI 354 Principles of Management

3 credits

Fall odd years

This course is a study of management and organizational theory with special attention given to the functions of planning, staffing, organizing, controlling, and directing business organizations or non-profit organizations. (Previous course code: BUSI 250)

BUSI 355 Principles of Marketing

3 credits

Fall even years

This course covers the fundamental principles concerning the logic of marketing management. Key topics covered include market analysis, market strategy, and the basic functions of the manufacturer, wholesaler, retailer, and ultimate consumer. (Previous course codes: BUSI 207, 290)

BUSI 401 Christian Leadership &amp; Ethics

3 credits

Fall

Business ethics is the moral analysis of business activity and practices. This class will explore how a Christian Worldview affects leadership, business management, and decision-making. Part of the class will also focus on business-related actions that may be in apparent conflict with morality and examine them from a Christian perspective. (Previous course code: BUSI 321) Prerequisite: PHIL 254 Ethics

BUSI 433 Business Policy &amp; Strategic Management

3 credits

Spring

This capstone class examines the effective management of people in organizational settings and challenges students to think beyond "stage one" in problem solving. Prerequisite: BUSI 354 Principles of Management and senior standing.

**BUSI 470 Senior Seminar**

1 credit

Spring

Students apply skills acquired through the program to investigate a specific business issue related to their profession which will be summarized in an oral presentation to the class and submitted as a formal written report.

Prerequisite: Senior standing

**Business Administration: Elective Courses****BUSI 240 Principles of Economics**

3 credits

Fall odd years

This course integrates the study of both microeconomics and macroeconomic concepts that affect both the national and international economies. Topics include Gross National Product and its determinants, unemployment, inflation, and economic growth. Special consideration will be given to monetary and fiscal policy, supply and demand, market pricing strategies, cost determination, and profit maximization.

**BUSI 244 Principles of Financial Accounting**

3 credits

Fall odd years

This course introduces the fundamentals of financial accounting. Emphasis is placed on the measurement of income as well as the preparation, interpretation, and presentation of financial statements. This class will examine accounting concepts through the eyes of an investor.

**BUSI 245 Principles of Managerial Accounting**

3 credits

Spring even years

This course is a conceptual introduction to managerial accounting fundamentals. Topics covered include the use of cost data, cost-volume-profit analysis, budgetary controls, and capital budgeting. This class will examine accounting concepts through the eyes of a manager. Prerequisite: BUSI 244-Principles of Financial Accounting

**BUSI 340 Consumer Behavior**

3 credits

Spring even years

This course will focus on understanding consumer behavior and the effect of this behavior on both the micro and macro level. Students will analyze buyer behavior and will evaluate the power that internal influences (emotion, personality, attitude) and external influences (influence groups, consumer culture, microcultures) exhibit over the individual consumer. Finally, this course will examine the consumer decision making process.

**BUSI 360 Marketing Research**

3 credits

Spring odd years

This course will provide students with an overview of qualitative and quantitative research methods. Students will gain an understanding of marketing research and will develop the necessary skills of research design, primary and secondary data collection, and data analysis. Finally, this course will require a written research report.

**BUSI 402 Real Estate**

3 credits

When available

This introductory course will examine principles of real property with an emphasis in home ownership, real property rights, taxation, and concepts of city development. Additionally, this course will examine the real estate process from contract to closing.

**BUSI 420 Global Business Environment**

3 credits

When available

This course is an introduction to the dimensions of international business and will examine both the global business environment and its integrated business functions.

BUSI 424 Principles of Finance & Investments 3 credits When available  
This course examines domestic and multinational corporations and their operating, legal, and tax environment. Financial analysis, long-term investment decisions, capital structure, management of working capital, sources of long-term financing and failure. Prerequisite: BUSI 158 Personal Finance.

BUSI 439 Special Topics 1-6 credits When available  
These courses will be offered by Trinity professors as the need arises for various topics in business. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

### **Business Information Systems: Elective Courses**

BUIT 110 Introduction to Web Development 3 credits Fall  
The purpose of this course is to provide students with an understanding of basic Web design and Web authoring skills in addition to the technical expertise required for creating and publishing of standards compliant HTML documents. The course will cover browser/server interaction, directory management, and Web page design and development. Attention will be directed toward the impact a designer's choices have on communication, understanding, and accessibility.

BUIT 150 Graphic Design for Information Systems 3 credits Fall  
The purpose of this course is to provide students with basic skills in computer graphic design for use in information systems. This course covers graphic design principles, usability, typography, design project management, and graphic design software.

BUIT 210 Intermediate Web Development 3 credits Spring  
The purpose of this course is to provide students with the skills needed to design and develop full-fledged Web sites and applications. Skills that will be covered include: HTML5, enhanced layout design capabilities using Cascading Style Sheets (CSS), content management system customization, and web interactivity through the use of JavaScript. Students will design, develop, test, evaluate, and apply evaluation data to a project website and develop technology problem-solving skills.

BUIT 211 Introduction to Computer Science 3 credits Fall even years  
This course provides an introduction to the building blocks of Computer Science. Topics include algorithms, application development, computer systems (programming languages, compilers, operating systems, hardware, and databases), and computers in the real world (networks, websites, security, forensics, and cryptography). A popular programming language will be learned by students and programming assignments will explore ideas in algorithm runtimes, computer simulation, and computational techniques in optimization problems, client-server communications, encryption, tracking software, and database queries.

BUIT 250 Mobile App Development 3 credits Spring even years  
This course provides students with the opportunity to build a cross-platform mobile application with basic functions using HTML5, JavaScript, CSS3, server syncing, offline capabilities, and native device functionality.

Students will explore Mobile SDKs and frameworks, and will work through both design and development phases (including mockups, wireframes, user walkthroughs, and user testing).

BUIT 310 Interaction Design 3 credits Fall odd years

The purpose of this course is to provide students with opportunities to explore, use, and synthesize various programming language frameworks, user interface and visualization libraries, and plug-ins while creating interactive user experiences with emphasis on the use of HTML5, CSS and JavaScript. The course will cover topics like interaction design, responsive Web design, animation, and development environments.

BUIT 350 Intro to Server-Side Development 3 credits Spring odd years

This course provides an introduction to the basics of server-side development. Topics will include the use and development of RESTful APIs, server-side programming languages, Windows and Linux/Apache server setup and configuration, database setup, application installation, use of shells, alternative servers, use of repositories, and system security.

BUIT 410 Database Design 3 credits Spring odd years

This course covers the fundamentals of conceptualizing and implementing databases. Emphasis is on use of query languages, SQL and NoSQL database development, and flat-file database development with JSON. Includes managerial topics related to database administration, security, integrity, optimization, and distributed databases.

BUIT 439 Special Topics 1-6 credits When available

These courses will be offered by Trinity professors as the need arises for various topics in business.

The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

BUIT 450 Information Ethics & Philosophy of Technology 3 credits Spring even years

This course introduces basic concepts of ethics regarding the application of ethical norms to the production, dissemination, and use of information and information technologies. Special attention will be paid to issues in the philosophy of technology, including open knowledge, the digital divide, distributed expertise, and the development of perspectives on the ontology, epistemology, and axiology of technology in a global context.

### **Business Sports Management: Elective Courses**

BUSM 201 Principles of Sports Organization & Management 3 credits Spring

This course is a study of contemporary and productive management principles and concepts used throughout the sports industry and various sport organizations. Throughout this course, students will learn skills related to creative problem solving, strategic planning, while developing the skills to lead, organize, delegate in managerial and leadership positions and a foundation in sport management.

### **Church-Related Courses**

CHUR 100 Chapel 0 credits Fall, Spring

Students are required to attend chapel each semester. The graduate must satisfactorily complete the two semesters of chapel attendance immediately preceding graduation.

CHUR 101 Student Ministries 0 credits Fall, Spring

Students are required to be involved in student ministries every semester. Specific requirements are contained in the Student Life Handbook.

### **Communication Courses**

COMM 210 Public Speaking 3 credits Fall

This is a course that introduces students to the principles of speech, including research, analysis, organization, writing, and delivery. Previously in two parts with COMM 21L.

COMM 310 Writing for Publication (Can be a Humanities Course) 3 credits Spring odd years

This is an introductory journalism course that emphasizes news and feature writing. It also covers basic principles of writing poetry, fiction, devotionals, and children's stories.

COMM 334 Introduction to Art (Can be a Humanities Course) 3 credits As available

This course examines architecture, painting, and sculpture as forms of cultural and individual expression. It studies art forms from Ancient to Modern times and includes special topics.

COMM 439 Special Topics (Can be a Humanities Course) 1-6 credits When available

These courses will be offered by Trinity professors as the need arises for various topics in communication. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics chair is needed.

COMM 470 Senior Seminar 1 credit Spring

This is a capstone course designed to help students transition from college to the work world or further studies. It will include a focus on career planning, resume writing and job search strategies, practical information about graduate studies, and a reflective synthesis paper of the student's Trinity experience.

### **Teacher Education Courses**

EDUC 240 Educating Exceptional Students 3 credits Fall

This is an introductory course to assist in preparing to meet the needs of exceptional children. This course provides basic information about the physical, social, mental, and emotional characteristics and distinctive problems of exceptional learners in the home, at school and in the community. Students will study the characteristics of exceptional students, stressing educational adaptations and methods for the regular classroom teacher of the mainstreamed student.

- EDUC 245 Introduction to Instruction and Curriculum 2 credits Fall  
Introduction to Instruction and Curriculum will emphasis the following topics: various types of curriculum planning and design, fundamentals of lesson planning, writing instructional objectives, presenting types of subject matter, and evaluating a lesson. (Previously part of EDUC 251 Introduction to Curriculum and Instruction and Classroom Management)
- EDUC 250 Foundations of Education 3 credits Fall  
This is the introductory course for all education majors. This course discusses professional aspects of teaching and the role of schools in American society, and it surveys education history and philosophy, public education financing, current problems and trends, and curriculum development. Classroom observations are included.
- EDUC 253 Classroom Management 2 credits Spring  
Classroom Management will emphasis the following topics: classroom management theories and techniques, motivational theories and strategies, practical ideas for creating a positive classroom environment, strategies for dealing with classroom discipline problems, organizing the physical arrangement of the classroom, managing student work, and utilizing instructional small groups. This course will assist you in developing your personal Christian management philosophy. Prerequisite for this course EDUC 250 and EDUC 245 (Previously part of EDUC 251 Introduction to Curriculum and Instruction and Classroom Management)
- EDUC 254 Educational Technology 2 credits Spring  
This course is designed to acquaint the pre-service teacher with the interrelated uses of instructional media, materials, and techniques. Computers and the Internet are used as research tools, a means of lesson preparation, and for student application within a lesson. Ways to integrate technology into the curriculum are explored through CD-ROMS, scanners, digital cameras, and various projection devices. The basics of word processing, spreadsheet, database, and presentation software are covered using Microsoft Office.
- EDUC 252 Creative Arts 3 credits Spring  
This course provides an exploration of the stages of growth in children's artistic development as it applies to the 1-8 classroom, including direct experiences with methods and materials in visual arts, music, movement and drama education. It also emphasizes integration of the Arts throughout the curriculum.
- EDUC 283 Understanding Cultural Diversity with Practicum 3 credits Spring  
This course is an analysis of the racial and cultural minorities in the United States designed to prepare students to teach in a pluralistic society. Particular emphasis will be placed on understanding the culture and issues of Native American students, particularly those that reside within North Dakota. The course will also present appropriate strategies to use when teaching diverse students. Prerequisite for this course EDUC 250 and EDUC 245 (Previously VCSU EDUC 283 and Trinity EDUC 355)
- EDUC 315 Methods: Math - Elementary 3 credits Fall  
This course covers the math curriculum, content, materials, and skills integral to teaching elementary school mathematics. This course will emphasize direct instruction, hands-on methodology, use of manipulatives,

integration of technology, cooperative learning, and alternative methods of drill and instruction. Prerequisite: EDUC 250 and EDUC 245

EDUC 321 Foundations of Reading Instruction 3 credits Spring

This is an introductory course which provides the foundations of reading education. Emphasis is given to the following topics: the reading process, emergent literacy, word identification, and vocabulary development, comprehension, reading instruction approaches, and reading/study skills. Teaching reading in the multicultural classroom theme is included. Prerequisite: EDUC 250 and EDUC 245

EDUC 322 Methods: Language Arts - Elementary 3 credits Fall

This course deals with oral and written language development, reading and literature, grammar, the writing process, methods of teaching spelling, handwriting, oral and written composition, and creative expression within a classroom. Prerequisite for this course EDUC 250 and EDUC 252. (Previously VCSU EDUC 322 and Trinity EDUC 357)

EDUC 323 Methods: Reading - Elementary 2 credits Fall

A concentration on the teaching of reading based upon the integrated teaching of language arts and reading. Topics include phonics, phonemic awareness and literature-based approaches, guided reading, reading recovery, teaching reading in the content areas, promoting reading as a lifelong activity, organizing and managing classroom reading programs, using technology in literacy, diagnosis and correction of reading difficulties, and meeting the needs of culturally diverse and special needs students, along with interpreting standardized test scores. Prerequisites: EDUC 245, EDUC 250, and EDUC 321 (Previously VCSU EDUC 323)

EDUC 353 Methods: Social Studies - Elementary 3 credits Spring

This course provides the background and processes integral to teaching elementary school social studies and geography. Emphasis is placed on curriculum models, social science disciplines, learning theories, approaches and strategies, and assessment techniques. Prerequisite for this course EDUC 250 and EDUC 245 (Previously VCSU EDUC 320)

EDUC 260 Teaching English Language Learners 1 credit Spring

This course is an introduction to teacher training in English as a Second or Foreign Language. Emphasis will be placed on historical and current teaching methodologies and practical teaching application.

EDUC 350 Methods: Science - Elementary 4 credits Fall

This course provides the content and processes requisite to teaching elementary school science. Emphasis will be placed upon the nature of science, how children learn science, objectives of school science programs, science educational reforms and national standards along with looking at current trends in science education such as STEM and STEAM, methods of teaching and assessing science will be discussed. Prerequisite for this course EDUC 245 and EDUC 250 (Previously VCSU EDUC 355 and Trinity EDUC 451)

EDUC 375 Teaching Reading in the Content Area 2 credits Fall

A study of reading in the content areas. Methodology, organization of classroom, study skills, and strategies for dealing with the culturally diverse students and exceptional students are emphasized. Prerequisite for this course EDUC 245 and EDUC 250 (Previously VCSU EDUC 375)

EDUC 420 Children's and Young Adult's Literature 4 credits Fall

May count as a Literature or Humanities elective for non-education majors.

This course introduces students to different approaches of studying, interpreting, and evaluating children's and young adult's literature. The use of literature within the curriculum, understanding how students respond to literature, and how to motivate students to read are also discussed. Students enrolled in this course will also spend time both inside and outside class reading a variety of children's and young adult's literature. (Previously Trinity EDUC 452)

EDUC 439 Special Topics 1-6 credits When available

These courses will be offered by Trinity professors as the need arises for various topics in Teacher Education. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

EDUC 440 Elementary Practicum 2 credits Fall, Spring

This course is designed as a pre-student teaching experience to be done before the start of student teaching. The student works closely with an elementary teacher to develop a greater understanding of effective teaching and classroom management. It is limited to those students who have been admitted to Teacher Education and have completed the necessary professional studies sequence. Prerequisite for this course EDUC 245 and EDUC 250 (Previously VCSU 350 and Trinity 480)

EDUC 445 Secondary Practicum 2 credits Fall, Spring

This course is designed as a pre-student teaching experience to be done before the start of student teaching. The student works closely with a secondary teacher in their specific content area to develop a greater understanding of effective teaching and classroom management. It is limited to those students who have been admitted to Teacher Education and have completed the necessary professional studies sequence. Prerequisite for this course EDUC 245 and EDUC 250 (Previously VCSU 350 and Trinity 480)

EDUC 450 Trends and Assessment and Educational Issues 2 credits Fall

A study of current issues and trends with an emphasis on assessment. The course focuses on formative and summative evaluation processes, comprehensive assessment strategies to measure student learning, holistic plans to determine student grades, state and national assessments, use of assessment data to determine curricular decisions and current issues with a significant impact on education. Prerequisite for this course EDUC 245 and EDUC 250

EDUC 453 Educational Psychology 2 credits Spring

This course focuses on the psychology of educational practices. It emphasizes the use of learning and motivation theories along with units of instruction on learning styles, information processing and cognitive skills development, classroom management, motivation, and assessment of student learning. Prerequisite for this course EDUC 245 and EDUC 250 and PSYC 210 (Previously VCSU EDUC 400)

EDUC 470 Senior Seminar- Teacher Education and Portfolio 2 credits Fall/Spring

This course is designed to prepare seniors for entrance into the teaching profession. This seminar serves as a support base during student teaching. A segment of the course deals with the Christian philosophy of education as prescribed by the Association of Christian Schools International. A synthesis paper on the practical aspects of education is an integral part of the course. Prerequisite for this course EDUC 245 and EDUC 250

**EDUC 481: Student Teaching** 10 credits Fall/Spring  
 This course is designed as a fourteen-week, full-time teaching experience in a fully accredited classroom in grade levels 1-6 for elementary education majors and Kindergarten - high school for physical education majors. It is limited to those students who have been admitted to Teacher Education and have completed the professional studies sequence. (Previously VCSU EDUC 490).

## **English Courses**

**ENGL 031 Developmental English** 0 credits Fall, Spring  
 3 credits are counted in schedule

This course is for students who need a review of English fundamentals as indicated by freshman placement testing. Attention is given to basic grammar, sentence structure, punctuation, usage, and mechanics. Prerequisite: Placement is determined by ACT score. This course is a prerequisite for ENGL 111.

**ENGL 111 English Composition I** 3 credits Fall, Spring

This course teaches writing as a process of thinking, generating ideas, writing drafts, and revising. Students will learn how to write a variety of essays using basic grammatical and organizational skills. Students will also benefit from conferences with the instructor, during which particular problems are discussed. Prerequisite: Placement is determined by ACT score, placement test, or completion of ENGL 031.

**ENGL 112 English Composition II** 3 credits Fall, Spring

This course is designed to enable students to learn the proper style and procedure for writing essays, term papers, business letters, and critical reviews. Prerequisite: ENGL 111 or 113.

**ENGL 113 Honors Composition I** 3 credits Fall

This is a college writing course designed for first-year students who demonstrate a strong aptitude in English. Emphasis is placed on the principles of rhetoric as applied to the college essay. The course is open only to students who qualify through placement testing.

**ENGL 114 Honors Composition II** 3 credits Spring

This is an honor's course in college writing open to those who have successfully completed ENGL 113 or who have been selected by the department. Students learn proper procedure and style for writing term papers. The course also emphasizes creative and journalistic forms of writing. The course is open only to students who qualify through placement testing.

**ENGL 310 American Literature** 3 credits Spring even years

Can be a Humanities Course

This course surveys prose and poetry from pre-Colonial times to the middle of the twentieth century. Attention is given to the socio-political backgrounds of American thought as expressed through selected authors, including those from diverse cultures. Prerequisite: ENGL 112 or 114

ENGL 322 Classical Christian Literature	3 credits	Fall even years
Can be a Humanities Course		
This is a study of selected major classical Christian authors from the early church age to the Twentieth Century. The course is organized around four genres of Christian literature: devotional, poetry, biography, and fiction. Prerequisite: ENGL 112 or 114 (Previous course code ENGL 332)		
ENGL 331 English Literature I: Beginnings to 1785	3 credits	Fall even years
Can be a Humanities Course		
This course includes reading and discussion of selected writings from Beowulf in the Anglo-Saxon period through the Restoration period, with emphasis on major literary characteristics, historical periods, and predominant ideas. The beginnings and history of the English language will also be examined. Prerequisite: ENGL 112 (Previous catalogs: this course has been divided into two courses—ENGL 331 and ENGL 332)		
ENGL 332 English Literature II: 1785 to Present	3 credits	Fall odd years
Can be a Humanities Course		
This course includes reading and discussion of selected writings from the Romantic period through the modern era, with emphasis on major literary characteristics, historical periods, and predominant ideas. Prerequisite: ENGL 112 or 114 (This course code was previously used for Classical Christian Literature)		
ENGL 351 Tolkienian Literature	3 credits	Spring odd years
Can be a Humanities Course		
This course includes reading and discussion of selected writings from, or pertaining to, J.R.R. Tolkien. Translated works by Tolkien and mythological inspirations for Tolkien can also be included. A major theme is the intersection of his love of mythology with his Christian faith. Prerequisite: ENGL 112 or 114		
ENGL 400 World Literature	3 credits	Fall odd years
Can be a Humanities Course		
This is a study of selected writings from diverse cultures, with representations of European-Russian, Latin American, Asian, and African writers, and a sampling of songs, poems, stories, legends, etc. from other people-groups. Prerequisite: ENGL 112		
ENGL 439 Special Topic	1-6 credits	When needed
Can be a Humanities Course		
These courses will be offered by Trinity professors as the need arises for various topics in English. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.		

## History Courses

Can also be humanities course

### HIST 220 American History through the Civil War

3 credits

Fall

This is a survey of American History from pre-colonial times to the close of the Civil War, emphasizing the major political, social, economic, and religious ideas and events that have shaped America. Topics include colonization, the Revolutionary War, the early national period, Jeffersonianism and Jacksonianism, the Second Great Awakening, and sectional conflicts leading to secession and war.

### HIST 221 American History since the Civil War

3 credits

Spring

This course surveys political, social, economic and cultural developments in the United States from post-Civil War Reconstruction to the present. Topics include Reconstruction, the American West, the Industrial Age, populism and progressivism, World War I, the 1920s, the Great Depression, World War II, the Cold War Era, and Post-Cold War America.

### HIST 223 World Civilizations to 1500

3 credits

Fall even years

This course is a survey of the origins, development, and characteristics of the major world civilizations, including those of Europe, Asia, Africa, and the Americas, to the beginnings of European exploration in the fifteenth century. Special emphasis is placed on economic, religious, military and intellectual exchanges between these civilizations.

### HIST 224 World Civilizations since 1500

3 credits

Fall odd years

This course is a survey of the characteristics and development of major world civilizations, including those of Europe, Asia, Africa, and the Americas, from the beginnings of European colonization in the fifteenth century to the collapse of colonialism in the twentieth century. Special attention is given to the role of Christianity and western ideologies as agents of cultural and political change within these civilizations.

### HIST 226 Asian History

3 credits

Spring odd years

This course surveys the cultural, political, and religious development of the major Asian civilizations, including those of China, India, Indochina, and Japan, from ancient times to the present. Special attention is given to the impact of European colonialism and economic modernization upon traditional Asiatic cultures.

### HIST 228 African History

3 credits

Spring even years

This course examines the cultural, political, and religious history of the African continent, from ancient times to the present. Special emphasis is placed upon the development of African civilizations within the context of Christian and Islamic influences.

### HIST 439 Special Topics

1-6 credits

When available

These courses will be offered by Trinity professors as the need arises for various topics in history. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Office of Academic Affairs is needed.

### **Historical Theology Courses**

HITH 151 Pentecostal Heritage

2 credits

Spring

This is a historical survey of Pentecostal phenomena from the first century to the advent of the modern Pentecostal movement. It traces the history of the Assemblies of God, explaining the doctrinal divergences responsible for the rise of various Pentecostal / Charismatic movements. Attention is given to isolating the devotional dynamics that contributed to and accompanied the various outpourings of the Holy Spirit.

HITH 251 History of Missions (Can be a Humanities Course)

3 credits

Spring

In-depth attention will be given to great mission movements and leaders beginning with the New Testament Church. There will be biographical reviews of significant missionaries. A considerable part of this survey will be given to the expansion of the Pentecostal Movement, including the development of Assemblies of God missions. (Previous courses code ITCS 251)

HITH 351 Church History I (Can be a Humanities Course)

3 credits

Fall

This course is a survey of the growth and development of Christianity from its Jewish and Hellenistic beginnings through the late medieval period and to the eve of the Renaissance/Reformation era. Special attention is given to the contexts of the Western and Eastern Roman empires, the interaction with Islam, and reform movements within the medieval church. An emphasis will also be placed on the development of theological concepts and their effect on the church and culture.

HITH 352 Church History II (Can be a Humanities Course)

3 credits

Spring

This course is a survey of the developments in world Christianity since the late medieval period, with emphasis on the Western Church and its interrelationship with society. Special attention is given to the Protestant Reformation and its long-term consequences, the response to the Enlightenment, and the impact of revivalism and the modern missionary movement. Those factors which contributed to the twentieth-century Pentecostal revival will be explored, and contemporary ecclesiastical events will be analyzed.

HITH 439 Special Topics (Can be a Humanities Course)

1-6 credits

When available

These courses will be offered by Trinity professors as the need arises for various topics in historical theology. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics chair is needed.

## **Health, Physical Education, and Exercise Science Courses**

### **HPEX 110 Health Concepts**

1 credit

Fall

This course is an introduction to personal fitness and a study of health and physical education as it relates to training principles, nutrition, and to a healthy diet. The course also gives attention to common diseases and an overall sound foundation for managing stress and maintaining a healthy lifestyle. (Previously PHED 110)

### **HPEX 111 Introduction to Nutrition**

1 credit

Spring

This is a basic course of nutrition, intended to provide each student the foundation for understanding the science of nutrition, and the application of nutrition principles in daily dietary practice. (Will substitute for HPEX 110 for this major. (Previously NUTR 101)

### **HPEX 112 First Aid, CPR, and AED**

0 credit

Spring

This seminar provides students with first aid and a CPR certification upon successful completion. Emphasis is placed on pediatric first aid procedures for children in grades K-12. Certification is recognized by the American Heart Association and the American Red Cross. Students will receive a Satisfactory or Unsatisfactory (S or U) upon completion. Course fee required. (Previously PHED 251)

### **HPEX 120 Exercise Techniques**

2 credits

Spring

This is an introductory course that instructs students in the safety and proper mechanics of weight training. Students will acquire knowledge as to the development of specific resistance training protocols. (Previously was PHED 199)

### **HPEX 150 Introduction to Exercise Science**

2 credits

Fall

This is an introductory class that expounds on the concepts of exercise science. This course will provide a basic overview of exercise science professions including: exercise physiology, sports nutrition, biomechanics, athletic training, exercise and sport psychology, and motor behavior. This course will also cover the professional activities (i.e., professional organizations, certifications, professional issues, and professional liabilities) that are related to these professional applications. (Previously EXCS 200)

### **HPEX 208: Introduction to Physical Education**

2 credits

Spring

The nature and scope of physical education by means of critical examination of sport, play, exercise, and dance. This course is designed to provide the historical foundations for physical education as a profession and for sport as part of physical education. Special attention will be placed on the role of physical education within the educational realm. (Previously VCSU HPER 208 and Trinity PHED 250)

### **HPEX 212 Weightlifting**

1 credit

Spring

This course provides an introduction to basic programs for proper weight training and conditioning. (Previously PHED 212)

### **HPEX 213 Swimming Competency**

0 credits

Fall, Spring

This is a required competency test for all physical education majors. Students will receive a Satisfactory or Unsatisfactory (S or U) upon completion of the proficiency exam. Course fee required. (Previously PHED 213)

HPEX 250 Personal Training	3 credits	Spring
This course is required for students majoring or minoring in one of the SES programs. Students will analyze the impact of diet, exercise, stress management, health, and other areas of total wellness on the quality of life. Students will examine their personal health risk, complete a personal fitness and nutritional assessment, as well as pursue an individual exercise prescription program. Hands-on experiences and exposure to the use of computer analysis in fitness assessment are included. (Previously EXCS 250 Fitness Activity)		
HPEX 255 Sophomore Practicum	1 credit	Spring
This practicum gives students a hands-on experience within a field of exercise science. Students must complete 40 hours for this practicum. Initial memberships and certifications will be started along with official acceptance into the Exercise Science Program at TBC. Prerequisite: HPEX 150 (previously EXCS 200). (Previously EXCS 255)		
HPEX 305 Coaching Techniques of Football	2 credits	Fall
This course prepares students in specific skills and strategies, as well as the organization and management skills necessary to coach and administer football. Students will also provide assistance to the intercollegiate varsity football program. (Previously PHED 353 and PHED 360)		
HPEX 306 Coaching Techniques of Baseball/Softball	2 credits	Spring
This course prepares students in specific skills and strategies, as well as the organization and management skills necessary to coach and administer baseball/softball. Students will also provide assistance to the intercollegiate varsity baseball/softball program.		
HPEX 307 Coaching Techniques Cross Country/Track	2 credits	Fall
This course prepares students in specific skills and strategies, as well as the organization and management skills necessary to coach and administer cross country/track. Students will also provide assistance to the intercollegiate varsity cross country/track.		
HPEX 308 Coaching Techniques of Volleyball	2 credits	Fall
This course prepares students in specific skills and strategies, as well as the organization and management skills necessary to coach and administer volleyball. Students will also provide assistance to the intercollegiate varsity women's volleyball program. (Previously PHED 352 and PHED 359)		
HPEX 309 Coaching Techniques of Basketball	2 credits	Spring
This course prepares students in specific skills and strategies, as well as the organization and management skills necessary to coach and administer basketball. Students will also provide assistance to the intercollegiate varsity basketball program.		
HPEX 310 Sports Nutrition	2 credits	Fall
Basic principles of human nutrition and nutritional needs for athletes and/or physically active populations. Issues discussed include ergogenic aids, macronutrient timing, carbohydrate loading/manipulation, eating disorders, protein supplements and hydration. Practical application will include dietary analysis and composition for people in various activities, conditions, training environments, and pre/post competition settings. Sports Nutrition will		

include an in-depth review of leading research and effective practices, while focusing on increasing athletic performance during training and competition. (Previously VCSU HPER 209)

HPEX 320: Methods: Health and Physical Education - Elementary                      2 credits                      Spring

This course is a study of the purposes, methods, instructional materials, and evaluation techniques in the teaching of elementary physical education and health in grades 1-6. The course provides theory, modeling, and application of instructional strategies to support the healthful living and physical development of elementary students. Content related to basic movement education, games, rhythms, sport skills, legal liability and safety, and decision-making for health are included. (Prerequisite: EDUC 245 and EDUC 250. Previously PHED 361).

HPEX 330 Care and Prevention of Athletic Injuries                                      2 credits                      Fall

This course gives future coaches an understanding of safety, the prevention of injuries in sports, emergency care, taping of injuries, and rehabilitation and recovery. (Previously PHED 351)

HPEX 340 Fitness Assessment and Exercise Prescription                              2 credits                      Spring

This is an exploration of fitness evaluation and exercise prescription. The course investigates activities that promote cardiovascular endurance, flexibility, resistance training, and anaerobic fitness. Prerequisite: SCIE 210 and HPEX 320 (Previously PHED 390)

HPEX 345: Fitness Activity of K-12 Physical Educator                                      2 credits                      Spring

The instruction, practice, and organization of activities for the physical education classroom. Units include, but not limited to; badminton, tennis, golf, and elementary/secondary dance, as well as the measurement and evaluation of the physical education skills and activities.

HPEX 350 Biomechanics with Lab                                                              4 credits                      Fall

This course will focus on the application of mechanical principles for human motion. Within this focus, the human body and external forces will be examined with regard to how they create movement. Also includes analysis of motor skills activities and exercise programs. Prerequisites: SCIE 210 and SCIE 220. Students must receive a C or higher to continue in the Exercise Science Program. (Previously EXCS 300)

HPEX 355 Developmental Practicum                                                              2 credits                      Spring

This practicum will focus on the different stages of human growth. Students will spend time with a variety of age group as they learn how age affects motor skills and development. This practicum is 60 hours out of class along with dedicated class time. (Previously EXCS 355)

HPEX 360 Exercise Physiology                                                                      3 credits                      Spring

This course is a study of the physiological responses to exercise and the various factors affecting human performance for anaerobic and aerobic training and conditioning, range of motion, flexibility, and skill development in physical activities. (Previously EXCS 356)

- HPEX 400 Varsity Football – Men 1 credit Fall  
This activity develops skills in football, including the learning of its rules, tactics, and strategies, while representing the institution on the varsity level of competition. The athletic department, academic records office, conference, and national affiliations determine eligibility. (Previously PHED 412)
- HPEX 401 Varsity Basketball – Men 1 credit Fall, Spring  
This activity develops skills in basketball, including the learning of its rules, tactics, and strategies, while representing the institution on the varsity level of competition. The athletic department, academic records office, conference, and national affiliations determine eligibility. (Previously PHED 410)
- HPEX 402 Varsity Basketball – Women 1 credit Fall, Spring  
This activity develops skills in basketball, including the learning of its rules, tactics, and strategies, while representing the institution on the varsity level of competition. The athletic department, academic records office, conference, and national affiliations determine eligibility. (Previously PHED 411)
- HPEX 403 Varsity Cross Country 1 credit Fall  
This activity develops cross-country skills and strategies, as well as the organization and management skills necessary to coach and administer cross country. (Previously PHED 419)
- HPEX 404 Varsity Volleyball – Women 1 credit Fall  
This activity develops skills in volleyball, including the learning of its rules, tactics, and strategies, while representing the institution on the varsity level of competition. The athletic department, academic records office, conference, and national affiliations determine eligibility. (Previously PHED 413)
- HPEX 410 Coaching Practicum 1 credit Fall, Spring  
This course is designed to introduce aspiring coaches to the coaching field, and should be completed during the junior or senior year. A minimum of thirty hours of supervised coaching experience is required. (Previously PHED 480)
- HPEX 420 Adapted Physical Education 2 credits Fall  
An introductory course designed to address all major areas of Adapted Physical Education – roles and competencies of the Adapted Physical Educator. The course examines the law, generalities of specific disabilities, assessments, IEP writing, modifications, and service delivery. It stresses professionalism in the workplace, awareness of the strengths and limitations of those with disabilities, and methods for inclusion. Prerequisites: EDUC 245 and EDUC 250 (Previously PHED 385)
- HPEX 425 Methods: Health and Physical Education - Secondary 2 credits Fall  
This course focuses on the teaching and learning theories related to physical education at the middle and high school levels. Strategies for movement, motor learning, planning, instruction, assessment, and behavioral issues are explored. Prerequisites: EDUC 245 and EDUC 250 (Previously PHED 452)

HPEX 430 Administration of Health, Physical Education, and Athletics      2 credits      Fall

This course is a study of administrative philosophy and techniques in administering physical education, health, and athletic programs. The course also includes the principles of financial management, personnel management, public relations, and legal aspects. Prerequisites: EDUC 245 and EDUC 250 (Previously PHED 457)

HPEX 439 Health, Physical Education & Exercise Science Special Topics      1-6 credits      When available

These courses will be offered by Trinity professors as the need arises for various topics in Exercise Science. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Office of Academic Affairs is needed.

HPEX 450 Program Design and Management      3 credits      Fall

This course present information on how to design a program geared to teams and individuals after which students will construct and design programs for potential clients. Course work will include hands-on design and observation of athletic team programs and individual personalized plans. (Previously EXCS 459)

HPEX 455 Personal Health      3 credits      Fall

Personal health emphasizes the importance of knowledge, attitudes and practices relating to personal health and wellness. It is a course designed to expose students to a broad range of issues and information relating to the various aspects of personal health which include the physical, social, emotional, intellectual, spiritual and environmental aspects. Topics of exploration include, but are not limited to nutrition, physical fitness, recognition and reporting stress, and weight management. (Previously EXCS 420 and HPER 315)

HPEX 460 Theory of Strength, Conditioning, and Training      3 credits      Fall

This course focuses on the structure and program of an individual's own philosophy of strength and conditioning. The course will look at a variety of theories to help the student form their own theory on how to properly train teams, individual, or personal clients in the areas of strength and conditioning. Prerequisites: HPEX 350 (previously EXCS 300) and enrolled or taken HPEX 450 (previously EXCS 459). (Previously EXCS 430)

HPEX 465 Introduction to Internship      1 Credit      Spring

Introduction to Internship will cover a multitude of areas regarding etiquette, professional appearance, professional language and communication, and professional conduct while under the stewardship of the cooperating on-site internship supervisor. Topics to aid the student in a successful internship experience will be primarily focused on, along with how the transition process from student to seeking employment or continued education may occur.

HPEX 470 Exercise Science Senior Seminar      1 credit      Spring

Students will finalize their membership into required association and organizations. Class time will also be used to discuss internships with students preparing for employment within a field of exercise science. (Previously EXCS 400)

**HPEX 475 Exercise Science Internship**

10 credits      Spring

Intensive senior-level supervised work experience in Athletic Training (AT), Applied Sport & Exercise Sciences, and Sport Management (SM). In order to be permitted to represent Trinity Bible College and Graduate School in the public sector, students approved for off-campus internships must, in addition to satisfying stipulated academic requirements in the major, meet personal and professional standards established by national governing bodies. Students must be currently certified in CPR/AED and First Aid. All internship assignments are local in order to provide appropriate faculty supervision. Rare exceptions may be made for other internships by the Dept. Chair for exceptional students who have demonstrated superior academic performance and the ability for self-motivation. Students must be able to provide personal transportation to all internship affiliations and absorb expenses related thereto. Physical Education & Coaching and Exercise Physiology majors must satisfy the specific requirements for Internship approval listed under the major. Prerequisites Students must be in academic "Good Standing" in their major as well as have prior approval of the Program Coordinator and Dept. Chair. (Previously EXCS 480)

**Intercultural Studies Courses****ITCS 101 Introduction to Global Missions**

2 credits      Fall

This course is an overview of the missional enterprise of the Church. Students will explore biblical, historical, cultural, and strategic perspectives. The call and qualifications for missionary work will be considered. There will be an overview of The Assemblies of God World Missions. Students will also explore the involvement of the local church in missions.

**ITCS 201-206: Cross Cultural Experience**

1-6 credits      When needed

This ITCS course is the actual experience of interacting with another culture, either through one of Trinity's GO (Global Opportunities) Trips, through Pack Your Bags (PYB) practicums, or through an individually arranged cross-cultural study. This is not a class which meets throughout the semester or summer term but the credit you receive for the actual cross-cultural experience where you earn credit based on the length and intensity of the cultural interaction.

**ITCS 252 Intercultural Ministry Strategies**

3 credits      Spring odd years

This course will introduce students to a variety of ministry strategies for diverse urban and rural cross-cultural settings. Students will be equipped to analyze a community and develop a relevant ministry strategy for effective evangelism and discipleship. Ministry models examined may include community development, education, business as mission, and other contemporary models. (Previous course ITCS 252 Urban/Inner City Evangelism)

**ITCS 254 Theology of Missions**

3 credits      Spring

In this course students will analyze the theological undergirding of missions. This course examines the unique Pentecostal contribution to the evangelical church in missions theology and the dynamics of the Holy Spirit. Students will explore how to properly present theology cross-culturally without compromising the biblical and apostolic message. Prerequisite: ITCS 101. (Previous course code ITCS 154)

- ITCS 257 World Religions (Can be a Humanities Course) 3 credits Spring  
In this course, students are introduced to the major religions of the world, including, but not limited to Judaism, Islam, Hinduism, Buddhism, Taoism, Jainism, Confucianism, and Animism. Particular attention is given to the history and basic beliefs of each religion, as well as a Christian response and interaction with followers of these world religions.
- ITCS 301 Principles of Church Planting 2 credits Fall even years  
Through this course, students will explore the biblical foundation, historical background, and current strategies of church planting. Case studies, field trips, lectures by church planters, and other classroom activities will assist the student in formulating mission, vision, core values, and a strategy that can be applied to a church planting opportunity. (May be substituted with PMIN 405 Church Planting and Leadership)
- ITCS 354 Intercultural Communications 3 credits Spring even years  
In this course, students will make an introductory study of the implications of the worldviews of different cultures and their unique patterns of communication, both verbal and nonverbal. The course deals with inherent problems encountered by communicators oriented in Western culture who attempt to communicate the gospel meaningfully to another culture.
- ITCS 356 Preparing to Live Interculturally 3 credits Spring odd years  
This course includes specialized studies of missiological subjects dealing with a specified area of the world. The target destinations and interests of the students will determine the areas. Students will study the context, trends, pressures, potentials, and problems affecting modern missionary outreach in their designated area. Prerequisite: ITCS 101
- ITCS 361 Itineration and Fundraising 2 credits Fall  
This course is an in-depth analysis of missionary itineration and fundraising. The practical aspects of itinerating and fundraising will be stressed. Specific topics may include: re-entry, scheduling services, communicating the message in speech and print, connecting with constituents, budgeting, and fundraising philosophies and practices.
- ITCS 381A Intercultural Studies Internship 1 credit Fall  
This course is the first phase of the Intercultural Studies Internship. Students are guided in selecting a location for their internship and learn about crafting fundraising letters, digital letters, and the entire pre-departure process of obtaining visas, insurance, etc. The internship requires readings, reports, and evaluations. Interns are responsible for their own expenses.
- ITCS 381B Intercultural Studies Internship 3 credits Spring -Summer  
This is the second phase of the Intercultural Studies Internship course. It is the actual experience of interacting with another culture. Generally, the intern will work with a variety of missions related activities under the supervision of a US or foreign mission agency. The duration of the internship is 8-10 weeks. Interns are responsible for their own expenses.

ITCS 439 Special Topics 1-6 credits When needed  
 These courses will be offered as the need arises for various topics in intercultural studies. In consultation with the ITCS department and the Office of Academic Affairs, the department chair will determine the course, title, and credits.

ITCS 453 Current Issues in Intercultural Studies 2 credits Fall odd years  
 Students will explore significant, current missiological issues in political, ideological, educational, and theological domains. The subject matter will change as issues change.

ITCS 470 Senior Seminar 1 credit Spring  
 This capstone course prepares senior missions students to enter a career as missionaries. Consideration is given to future professional training, job placement, and issues and trends in missions.

### Language Courses

Can be a humanities course

LANG 200 Introduction to Biblical Languages 3 credits Spring even years  
 This course provides an overview of the basic grammar and syntax of biblical Hebrew and Greek. The alphabets, proper pronunciation, and important words will be introduced without the student being required to memorize extensive vocabulary and forms. Students will be taught the function and use of language tools for biblical interpretation and how to prepare for further study of the biblical languages.

LANG 221 Spanish IA 3 credits As available  
 This is a basic course in the essentials of Spanish pronunciation, vocabulary, common idioms, and functional grammar. The communicative approach is stressed with emphasis on hearing and speaking, reinforced by knowledge of basic grammar.

LANG 222 Spanish IB 3 credits As available  
 This is a continuation of Spanish IA which reviews the essentials of Spanish pronunciation, basic vocabulary, common idioms, and functional grammar. Emphasis is placed on hearing and speaking the language and reinforcing knowledge of basic grammar. Attention is given to reading skills in addition to dialogue. Prerequisite: LANG 221 or its equivalent

LANG 331 New Testament Greek IA 3 credits Fall even years  
 This course provides an introduction to the Greek alphabet and essentials of the Greek language, including nouns (masculine, neuter, and feminine), verbs (various voices and tenses), prepositions, and pronouns. Students begin building a basic vocabulary of Greek words and begin translating from the Greek New Testament.

- LANG 332 New Testament Greek IB 3 credits Spring odd years  
As a continuation of Greek IA this course introduces irregular noun and verb forms, participles, the imperative and subjunctive moods, and the infinitive. Students continue building a basic Greek vocabulary and translating from the Greek New Testament. Prerequisite: LANG 331
- LANG 433 New Testament Greek IIA 3 credits Fall odd years  
This course provides intermediate grammatical study and extensive vocabulary building. Students build their vocabulary and translate selected portions of the Greek New Testament. Prerequisites: LANG 331, LANG 332
- LANG 434 New Testament Greek IIB 3 credits Spring even years  
This course is a continuation of New Testament Greek IIA. It includes an introduction to textual criticism and principles of Greek exegesis. Selected sections of the New Testament are translated. Prerequisites: LANG 331, LANG 332, LANG 433
- LANG 435 Biblical Hebrew IA 3 credits Fall odd years  
This course provides a basic introduction to the vocabulary and syntax of Biblical Hebrew. The goals of this course and of Hebrew IB are to help students acquire a reading knowledge of the Old Testament's original language and to use that knowledge in teaching and preaching.
- LANG 436 Biblical Hebrew IB 3 credits Spring even years  
This course is a continuation of Biblical Hebrew IA. Students will continue to study Hebrew vocabulary and syntax and will begin to translate narrative sections of the Hebrew Bible. Prerequisite: LANG 435
- LANG 437 Biblical Hebrew IIA 3 credits Fall even years  
This course provides intermediate grammatical study, vocabulary building and discourse analysis of Biblical Hebrew narrative. Students build their vocabulary and translate selected portions of the Hebrew Old Testament with particular attention to the book of Ruth. Prerequisites: LANG 435, LANG 436.
- LANG 438 Biblical Hebrew IIB 3 credits Spring odd years  
The genre of Hebrew Poetry will be explored, focusing on selections from the Psalms, the prophets, and wisdom literature. Students will develop recognition of the characteristics of this genre, with the outcome of becoming better readers of Hebrew Poetry. Students will develop skills to exegete, preach, and teach the portions of the Old Testament which are poetic. Prerequisites: LANG 437
- LANG X39 Special Topics 1-6 credits When needed  
These courses will be offered by Trinity professors as the need arises for various topics in language study. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

## Math Courses

### MATH 030 Fundamentals of Math

0 credits      Fall, Spring

3 credits are counted in schedule

This study of the arithmetic and algebra of counting numbers, integers, rational numbers, and applications is designed for students who need a review of math fundamentals as indicated by ACT scores. This course is a prerequisite for those who did not test into 100 level Math courses.

### MATH 118 College Math

3 Credits      Fall, Spring

This is a general education course emphasizing the ideas and concepts of mathematics: set theory, number theory, elementary algebra (linear equations, quadratic equations, functions, inequalities, graphing, systems of equations, sequences, and series), and the applications of these concepts in everyday life. Prerequisite: Either ACT placement score, placement exam, or completion of MATH 030. \*Previous catalog requirements for MATH 121 can be fulfilled by MATH 118 College Math. Both Math 277 and 278 must be taken to fulfill the math requirement.

### MATH 121 Intermediate Algebra

3 credits      As needed

This is a study of sets, real and complex numbers, polynomials, rational expressions, linear and quadratic equations and inequalities, functions, and graphing of linear and non-linear functions. \*Previous catalog requirements for MATH 121 can be fulfilled by MATH 118 College Math. Both Math 277 and 278 must be taken to fulfill the math requirement.

### MATH 200 College Algebra

3 credits      Fall, Spring

This course is a study of inverse, exponential and logarithmic functions, systems of equations, matrices, sequences and series, counting theory, and basic probability. Prerequisite: Either ACT placement score, or placement exam. For Elementary Education students- Prerequisite: MATH 277.

### MATH 277 Math for Elementary Teachers

3 credits      Fall

This course is designed to broaden, strengthen, and apply arithmetic concepts to the solution of problems. Arithmetic content includes whole number operations, number bases, numeration systems, modular arithmetic, place value, measures of central tendency, number theory topics, sets, relation domains, integers, and rational fraction topics including proportional reasoning. The course integrates the understanding of arithmetic content with the understanding of how students learn arithmetic concepts. Applications of algebra are integrated into the first chapter on problem solving and reinforced throughout the course.

### MATH 301 Statistics

3 credits      Fall

This course will provide an introduction to descriptive statistics and statistical inference as employed in decision-making. Topics include measures of central tendency and dispersion, probability, theoretical distributions, hypotheses testing, estimation, regression, correlation, time series analysis, and the use of statistical packages and computers in quantitative analysis. Prerequisite Math 100 or 200 level math class.

## MATH 439 Special Topics

1-6 credits      When needed

These courses will be offered by Trinity professors as the need arises for various topics in math. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

## Music Courses

### MUSI 060 Introduction to Music Theory

0 Credits      Fall

3 Credits counted in Schedule

This course prepares incoming music students for college level music theory by reviewing and developing the foundations of melody, harmony, rhythm, fundamentals of notation, sight-reading, and aural skills. (Required of students whose Music Placement Test score indicates a need for remedial studies.)

### MUSI 120 Choir

0.5 Credits      Fall, Spring

Entrance is by audition only. This ensemble rehearses and performs a variety of choral music. Topics studied include reading music, vocal technique, and ensemble singing. This group will also travel to area churches throughout the school year and perform for graduation. (Previous Code: MUSI 358)

### MUSI 150 Class Piano

1 Credit      Spring

This is a practical approach to keyboard study for beginning students. Basic concepts are explored including scales, chords, sight-reading, reading chord charts, playing by ear, and improvising. Special emphasis will be given to playing music for worship. (Course fee applies.)

### MUSI 153 Class Guitar

1 Credit      Fall

This is a beginning guitar class with a focus on playing music for worship. Topics covered include: chords and their inversions, strumming, and playing common progressions.

### MUSI 154 Class Percussion

1 Credit      Spring odd years

This course focuses on basic percussion playing in the church setting. The primary focus will be on the drum set. Topics such as stick technique, rhythmic fundamentals, and basic patterns and fills will be covered.

### MUSI 162 Contemporary Music Theory

3 Credits      Spring

This is a course dealing with perception, analysis, composition and performance of fundamental musical materials, and comprehension of contemporary music. Scales, chord functions, harmonization, voicing, and composition will be explored. Pre-Requisite: Admittance to this course is dependent on the student's Music Placement Test score or successful completion of MUSI 060. (Previous Code: MUSI 160 & 161)

### MUSI 163 Aural Skills

3 Credits      Fall

This course is focused on developing aural skills in music. Sight reading, sight singing, listening, and dictation exercises will be practiced. The specific skills developed will include the transcription of melody and harmony in contemporary music, sight reading and sight singing basic to intermediate rhythms and melodies, and overall perception of phrase and form.

- MUSI 241 / 341 / 441 Applied Piano 1 Credit Fall, Spring  
Private lessons, by audition only, are offered for students who have reached a level of proficiency in the requirements of MUSI 150. Studies include both classical repertoire and sacred compositions of various styles. Emphasis is on technical expertise, musicianship, and improvisation. Performances are required. (Course fee applies.) (Previous Code: MUSI 156)
- MUSI 242 / 342 / 442 Applied Voice 1 Credit Fall, Spring  
This is a study of the principles of voice production. Lessons are designed to meet the individual needs of students. Classical and sacred compositions will be studied. Entrance is by audition only, and performances are required. (Course fee applies.) (Previous Code: MUSI 158)
- MUSI 243 / 343 / 443 Applied Instrumental 1 Credit Fall, Spring  
Private lesson offerings in instruments other than keyboard, guitar, or percussion are offered only by arrangement and approval of the Music Department. These lessons are designed to meet the individual needs of each student. Entrance is by audition only and performances are required. (Previous Code: MUSI 157)
- MUSI 252 Technology for Church Music 2 Credits Fall  
This course is designed to familiarize students with the technology and electronics used in a church service. The primary focus will be on the components and operation of a sound reinforcement system. Other areas studied will include lighting, projection, and digital recording.
- MUSI 301 History of Contemporary and Sacred Music 3 Credits Spring  
Can be a humanities course  
This course gives a brief overview of the history of music and gives special attention to the contemporary period with emphasis on the development of church music. Students will become familiar with the various eras of music (Renaissance, Baroque, Classical, Romantic, and Contemporary) and will learn to identify important trends and figures in sacred music especially in evangelical music traditions. (Previous code: MUSI 300)
- MUSI 352 Music for Ministry 2 Credits Spring  
This course is required for non-musicians in the ministry major. It will give students an overview of the basic components of music: rhythm, scales, keys, harmony and form. Each component is presented in the context of music used for worship. Instruction is also given in leading a worship service, primarily in the area of music. Students are guided in developing a biblical philosophy of praise and worship.
- MUSI 353 Worship Leading 3 Credits Fall odd years  
This course is designed to give practical instruction and practice in leading music in public worship. Topics addressed include: philosophy of praise and worship, leading rehearsal, balance in ministry, worship styles and forms, and other concepts pertinent to the leading of musical worship.
- MUSI 471 Senior Seminar – Music Recital 1 credit Spring  
This capstone course prepares senior students to enter the ministry as a worship leader. As part of this course students will plan and perform a senior music recital.

#### MUSI 439 Special Topics

1-6 credits

When available

May be a humanities course

These courses will be offered by as the need arises for various topics in music studies. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics chair is needed.

#### Philosophy Courses

Can be a Humanities course

#### PHIL 254 Ethics

2 credits

Spring

Students will examine moral and social conduct and decision making in light of biblical, historical, and theological teaching. Contemporary ethical issues found in a diverse society, particularly those of a medical, social, or personal nature will be addressed (e.g., abortion, euthanasia, human rights, capital punishment, wealth/poverty, divorce/remarriage, etc.).

#### PHIL 320 Philosophy and Christian Worldview

3 credits

Spring

This course surveys major philosophical ideas and schools of thought that have shaped political, religious and scientific thinking in the Western world from ancient Greece to the modern era; as well as the issues and questions which confront believers as they seek to live out their faith in a diverse postmodern world. Special attention is given to theories of knowledge, the interplay between various religious and philosophical approaches to the world, and the practical impact of ideas on both historical events and the present. Students will be challenged to integrate faith, learning, and life in such a way that they will develop a thoroughly Christian way of thinking about and responding to diverse people and situations in life with which they will engage. (Combines PHIL 162 & PHIL 410-Previous code PHIL 220)

#### PHIL 453 Applied Apologetics & Evangelism

2 credits

Spring

This course equips students to better understand, explain, defend and proclaim their faith in a pluralistic world. Emphasis is placed in the relationship between faith, evidence, and reason, the variety of modern and postmodern intellectual challenges to Christianity, and the personal and social factors that influence how the Gospel is heard and understood. Students will be given the opportunity to reflect and engage in practical means of outreach in their specific field of study and vocation. Prerequisite: PHIL 254 (previous course codes combination of PHIL 452 Apologetics and PMIN 150 Personal Evangelism)

#### PHIL 439 Special Topics

1-6 credits

When available

These courses will be offered by Trinity professors as the need arises for various topics in philosophy. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics is needed.

### **Practical Ministries: Required Courses**

PMIN 180 Ministerial Practicum I

1 credit

Spring

This course involves students in practical ministry in a local church under pastoral supervision. It should be taken in the summer between the freshman and sophomore years.

PMIN 280 Ministerial Practicum II

1 credit

Spring

This course involves students in practical ministry in a local church under pastoral supervision. It should be taken in the summer between the sophomore and junior years. Prerequisites PMIN 180 and acceptance into the Ministerial Studies Program.

PMIN 320 Principles of Pastoral Care

3 credits

Fall even years

This course is designed to introduce students to the fundamental principles of pastoral care, including care ministries, pastoral counseling, and other important aspects of pastoral care in pastoral ministry. The course will use a variety of approaches to inform students of common practices as well as offering the opportunity to participate in care and to develop personal skills necessary for broad ministry contexts.

PMIN 345 Foundation of Student Ministries

3 credits

Fall

This course is a broad introduction to the essentials of children, youth, and student ministry. It includes developing a strategic plan for pastoring students, partnering with parents, managing the ministry setting, maintaining discipline, and exploring essential training tools. Consideration is given to designing and evaluating ministries, facilities and curriculum. The process of recruiting, screening, training, supervising, and evaluating children's workers is also covered along with legal and safety issues. Students have an opportunity to observe and evaluate various student ministries and their facilities. The process of student ministry in a post-modern context will also be addressed. (Incorporates PMIN 350, PMIN 357)

PMIN 352 Principles of Preaching

3 credits

Fall

This is a course in sermon-topic selection, research, outlining, writing, and delivery for diverse audiences. Analysis of sermon outlines will be emphasized. Prerequisite: BIBL 253 and COMM 210

PMIN 353 Advanced Preaching

3 credits

Spring even years

This course is a continuation of PMIN 352. Students are expected to advance in skill and effectiveness of sermon construction and delivery for diverse audiences. Part of the course is devoted to expository preaching. Prerequisite: PMIN 352

PMIN 355 Pastoral Theology

3 credits

Fall odd years

This course discusses conflict resolution, new member assimilation, public relations, calendar and church service planning (including special services), oversight of staff (paid and volunteer), establishment of missions in the local church and denominational affiliation. Special attention will be given to Assemblies of God church polity. Additionally, the course informs students concerning the denominational credentialing process.

- PMIN 358 Community Based Youth Ministry 3 credits Spring even years  
This course discusses the principles of youth ministry, adult responsibility, and their relationship to the church. A family-based method ministry will be presented as a component for youth ministry, the church, and society.
- PMIN 363 Communicating God's Truth to Children 3 credits Spring even years  
This course will cover methods of effectively communicating the Gospel on a level appropriate for children of all ages. Strategies include puppetry, illustrated sermons, object lessons, storytelling techniques, drama, and music. Attention will be given to evaluating and implementing resources for creative ministry. Students will develop various children's ministry presentations in class and gain experience in communicating with children in church and non-church settings. Prerequisites: PMIN 345 and PSYC 212 (Previous course codes: PMIN 300 & 401)
- PMIN 403 Church Health, Growth, and Leadership 3 credits Fall odd years  
Through this course students will explore the factors that lead to a healthy, growing church. Topics of discussion will include identifying causes of stagnation, understanding culture, building leadership teams, and developing a strategy for change in order to guide a church through revitalization. (May be substituted with PMIN 405 Church Planting and Leadership.)
- PMIN 405 Church Planting and Leadership 3 credits Fall even years  
Through this course, students will explore the biblical foundation, historical background, and current strategies of church planting. Students will also explore biblical models of church leadership during and after the church plant process. (May substitute for PMIN 403 Church Health, Growth, and Leadership.)
- PMIN 411 Pastoral Counseling 3 credits Spring odd years  
This course presents counseling techniques and models used in the context of pastoral counseling. Students are given opportunities to practice counseling techniques in class with other students. Additional counseling techniques are presented through case studies. Prerequisites: PSYC 210, PMIN 320
- PMIN 420 Church Administration 2 credits Spring  
This course examines the organization and structure of the church and its various ministries and provides an in-depth study and application of practices and procedures affecting the management of church finances and budgets, building and grounds, taxation and legal matters of pastors and church ministry. (Previously called Church Law and Taxes)
- PMIN 433 Models for Children's Ministry 2 credits Spring odd years  
This course covers numerous models of ministry to children in various settings which may include the local church, sidewalk Sunday school, kid's crusades, vacation Bible schools, cross-cultural opportunities, and children's clubs. Also included is an overview of Assemblies of God programs.
- PMIN 455 the Purpose and the Person of Youth Ministry 3 credits Spring odd years  
This course continues to prepare students seeking entry to youth ministry as a vocation. Consideration is given to the development of a strategic plan for the students' context of ministry. The practical and administrative process of youth ministry will be discussed. Additionally the course will address the development of the youth pastor.

**PMIN 471 Senior Seminar**

1 credit

Fall

This course is constructed to be a final preparation for entering vocational ministry. It includes instructions for writing resumes, responding to a call to a ministry position, interviewing, and transitioning between ministry positions. A synthesis paper on the practical aspects of ministry is an integral part of the course.

**PMIN 472 Senior Seminar (Accelerate)**

1 credit

Spring

This course is constructed to be a final preparation for students entering the master's program and vocational ministry. It includes instructions for writing resumes, responding to a call to a ministry position, interviewing, and transitioning between ministry positions. A synthesis paper on the practical aspects of ministry is an integral part of the course.

**PMIN 480 Summer Internship**

4 credits

Spring

This course is open to juniors or seniors who will spend a minimum of eight weeks working in a church under the supervision of an experienced pastor. Prerequisite: PMIN 280.

**Practical Ministries: Elective Courses**

These courses will be offered on a rotational basis as needed.

**PMIN 150 Personal Evangelism**

2 credits

As needed

This course is designed to prepare students to be effective witnesses of the Gospel. Scriptures will provide a foundation and biblical model for the need of evangelism and its contemporary application. Students will be given the opportunity to participate in evangelistic efforts.

**PMIN 380 Evangelism Practicum**

1-2 credits

As needed

This is a foundational course in the memorization and use of Scripture in witnessing to individuals. Students will learn questionnaire evangelism and then follow-up discipleship process in ways that enable them to present the Gospel and train others in similar techniques.

**PMIN 381-386 Ministerial Practicum (special)**

1-6 credits

As needed

This course involves students in practical ministry in a local church under pastoral supervision. It may be taken during the school year or over a summer. Credit is earned based on the length and intensity of the internship. This course may be repeated up to a total of 10 credits.

**PMIN 400 Multimedia and Ministry**

2 credits

When available

This course will discuss the basic components of dramatic presentation. The core of the class will be the development of a multi-media presentation which includes: writing scripts, directing scenes, producing projects, capturing scenes by video, editing videos, and promoting projects. This course is a hands-on course that will provide students with practical experience in drama and video production.

PMIN 439 Special Topics 1-6 credits When available

These courses will be offered by Trinity professors as the need arises for various topics in practical ministries. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Academics chair is needed.

PMIN 481 Resident Internship 8 credits As needed

Juniors or seniors who choose this option will complete a part-time internship concurrent with semester classes which will equate to 16 weeks of ministry experience. They will work in a variety of church-related situations under the supervision of an experienced pastor. Prerequisite: Sophomore year standing and acceptance into the ministerial program.

PMIN 482 Extended Internship 12 credits As needed

This course is open to juniors or seniors who will spend a minimum of 24 weeks working in a church under the supervision of an experienced pastor. Prerequisite: Sophomore year standing and acceptance into the ministerial program.

### **Psychology Courses**

PSYC 101 Introduction to College and Spiritual Formation 2 credits Fall, Spring

This orientation course is designed to prepare students for academic success and for personal, social and spiritual growth. Topics include personal reflection, library research skills, personal study habits, time management, learning styles and vocational selection. The course also covers developing a Christian perspective for your daily life that includes prayer, spiritual gifts, and biblical application.

PSYC 210 General Psychology 3 credits Fall

This is an introductory course in psychology, the study of human behavior. It considers the influences of nature and nurture on development, personality, emotion, perception, motivation, psychological disorders, therapy, social psychology and critical thinking skills. This course is presented from a balanced, biblical perspective and provides students with a practical awareness and insight into human behavior.

PSYC 320 Developmental Psychology 3 credits Fall

This course has been designed to give students the opportunity to explore human development from conception through adulthood from a variety of perspectives. Human development is composed of many dimensions including spiritual, biological, cognitive and psychosocial—all of which will be explored. Prerequisite PSYC 210

## Science Courses

SCIE 110 Introduction to Biology 3 credits Fall, May Term

This is an introductory biology course about the study of life. Topics covered include organic chemistry, cell structure and function, genetics, ecology, ecosystem organization, nutrition, reproduction, and evolution and scientific creationism. Incorporated is the relevance of biology to Scripture and current events. Course taken concurrently with SCIE 110L Lab. (Previous course code SCIE 310)

SCIE 110L Introduction to Biology Lab 1 credit Fall, May Term

This is a laboratory course that covers material from SCIE 110 Introduction to Biology. This course meets once a week for two hours. Must be taken concurrently with SCIE 110 Introduction to Biology. (Previous course code SCIE 310L)

SCIE 120 Physical and Earth Science 3 credits Spring

This is an introductory course in physical and earth science covering the basic concepts and principals of physics, chemistry, astronomy, geology, and meteorology. Other considerations include Scripture, scientific creationism, evolution, our changing world, and the relevance of physical and earth science to current issues. Course taken concurrently with SCIE 120L Lab. (Previous course code SCIE 311)

SCIE 120L Physical and Earth Science Lab 1 credit Spring

This is a laboratory course that covers material from SCIE 120 Physical and Earth Science. This course meets once a week for two hours. Must be taken concurrently with SCIE 120 Physical and Earth Science. (Previous course code SCIE 311L)

SCIE 210 Anatomy and Physiology I 3 credits Fall

This course studies the structure and function of the human body. The topics covered include cell biology, tissues and membranes, as well as the skeletal, muscular, and nervous systems. Requires concurrent enrollment in SCIE 210L Anatomy and Physiology I lab. Prerequisite: SCIE 110 & 110L Introduction to Biology (Previous course code was Science 312 Anatomy and Physiology and was not divided into sections I & II)

SCIE 210L Anatomy and Physiology I Lab 1 credit Fall

This is a laboratory course that covers material from SCIE 210 Anatomy and Physiology I. This course meets once a week for two hours. Must be taken concurrently with SCIE 210 Anatomy and Physiology I. (Previous course code was SCIE 312L)

SCIE 220 Anatomy and Physiology II 3 credits Spring

This course continues the study of the structure and function of the human body. Topics include the special senses, as well as the endocrine, cardiovascular, lymphatic, respiratory, digestive, urinary, and reproductive systems. Requires concurrent enrollment in SCIE 220L Anatomy and Physiology II lab. Prerequisite: SCIE 210 & 210L Anatomy and Physiology I; SCIE 110 & 110L Introduction to Biology. (Previous course code was Science 312 Anatomy and Physiology and was not divided into sections I & II)

**SCIE 220L Anatomy and Physiology II Lab**

1 credit

Spring

This is a laboratory course that covers material from SCIE 220 Anatomy and Physiology II. This course meets once a week for two hours. Must be taken concurrently with SCIE 220 Anatomy and Physiology II. (Previous course code was SCIE 312L).

**SCIE 240 Environmental Science**

3 credits

Spring

This is an introductory environmental science course that focuses on understanding the environment we live in. Topics that will be covered include stewardship, species interactions and biodiversity, environmental systems, agriculture and food, renewable and non-renewable energy, managing waste, and sustainability. Incorporated is the relevance of stewardship to scripture and understanding the connection between the environment and poverty. This class must be taken concurrently with SCIE 240 L Lab.

**SCIE 240L Environmental Science Lab**

1 credit

Spring

This is a laboratory course that covers material from SCIE 240 Environmental Science. Must be taken concurrently with SCIE 240 Environmental Science.

**SCIE 439 Special Topics**

1-6 credits

When available

These courses will be offered by Trinity professors as the need arises for various topics in science. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Office of Academic Affairs is needed.

**Sociology Courses**

May also be a humanities course

**SOCI 210 Introduction to Sociology**

3 credits

Fall

This course introduces concepts common to the sociological perspective and challenges students to develop a “sociological imagination” or conscious recognition of how individual behaviors are shaped by the various social settings in which all individuals live and move. Course topics include socialization, deviance, crime and social control, stratification and inequality, race, ethnicity and gender, mass media, politics, and social change.

**SOCI 212 World Regional Geography**

3 credits

Spring

This course is a survey of the world’s major regions, including Anglo-America, Latin America, Europe, Russia and the former Soviet Republics, Asia, Africa, and the Pacific World. Basic geographic literacy is stressed, as is the distribution of landforms and climates and their relationships to human cultures, economies, and political entities. Emphasis is given to historical patterns in the development of regions, as well as contemporary trends as they relate to environmental, social, and ideological issues.

**SOCI 213 Marriage and Family**

3 credits

Spring

This is a study of the family as a social institution, dealing with its history, its purposes, and its problems, all from a Christian perspective. Special attention is given to issues of courtship, marriage, divorce, and family life, from both a theoretical and a practical standpoint.

**SOCI 310 Cultural Anthropology**

3 credits      Fall

This course provides a basic understanding and appreciation of the primary aspects of human societies and their varied cultural expressions. Consistent with a biblical foundation, emphasis is given to the relevance of cultural studies as a means of responding to globalization with the values and virtues of a Christian life.

**SOCI 439 Special Topics**

1-6 credits      When available

These courses will be offered by Trinity professors as the need arises for various topics in the social sciences. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Office of Academic Affairs is needed.

**Theology: Required Courses****THEO 165 Introduction to Worldview and Theology**

3 credits      Fall

This course is an introduction to the concept of worldview, including a discussion of various worldviews; and an introduction to Christian doctrine based upon major engagement with the biblical text and the “Statement of Fundamental Truths” as articulated by the General Council of the Assemblies of God. Students will be challenged to integrate faith, learning, and life in such a way that they develop a thoroughly Christian way of thinking and believing. (This course replaces THEO 161)

**THEO 251 Systematic Theology I: Scripture, God, Creation**

3 credits      Fall

This course is an overview of the meaning and purpose of theology; the doctrine of Scripture (revelation, inspiration, canonicity); the doctrine of God (His existence, attributes, works, and Trinity); and the creation of the universe and spirit beings (angels, Satan, demons). This course incorporates major engagement with the biblical text and applications to a diverse society. Prerequisite: THEO 165

**THEO 252 Systematic Theology II: Humanity, Sin, Christ, Salvation**

3 credits      Spring

This course is a study of the doctrine of humanity (origin, nature, original state, and fall); the doctrine of sin (its origin, nature, and consequences); the doctrine of Christ (His person, deity, and humanity); and the doctrine of salvation (its provision and application). This course incorporates major engagement with the biblical text and applications to a diverse society. Prerequisite: THEO 165

**THEO 361 Systematic Theology III: Holy Spirit, Church, Last Things**

3 credits      Fall

This course is a study of the doctrine of the Holy Spirit (His personality and nature); the Church (its organization, function, ordinances, and purpose); and last things (physical death, second coming, resurrection, judgments, and final state). This course incorporates major engagement with the biblical text and applications to a diverse society. Prerequisite: THEO 165

**THEO 362 Systematic Theology IV: Pentecostal Distinctives**

2 credits / Spring

This course is a study of the Pentecostal doctrine of the Holy Spirit, focusing on the baptism in the Spirit, initial evidence, gifts and fruit of the Spirit, divine healing, and living a Spirit-filled life. This course incorporates major engagement with the biblical text and applications to a diverse society. Prerequisite: THEO 165

**THEO 371 Theology of Worship**

2 credits      Spring

This course is a study of the biblical and theological undergirding of worship in the Christian church with a special focus on music. Students will explore a biblical theology of worship and music through projects that develop their own theology and prepare them to interact with the concepts and apply them practically. (Required for Worship Ministry Majors)

**Theology: Elective Courses**

These courses will be offered on a rotational basis with at least one elective offered every semester.

**THEO 351 Modern Religious Cults**

3 credits      Spring odd years

This course is designed to expose the theological errors of cults and will explore the evangelizing techniques and practices of modern cultic groups. Prerequisite: THEO 165

**THEO 434 Old Testament Theology**

2 credits      Fall even years

Students will examine the Old Testament's most important themes, such as the law, covenant, faith, prophecy and fulfillment, the sacrificial system, wisdom, the Messiah, and the Spirit. Prerequisites: THEO 165 and BIBL 253

**THEO 435 New Testament Theology**

2 credits      Fall odd years

Students will examine the New Testament's most important themes, such as the relationships between the testaments, the kingdom of God, Son of Man, eternal life, Church, humanity, sin, rebirth, old/new self, and the final age. Prerequisites: THEO 165 and BIBL 253

**THEO 439 Special Topics**

1-6 credits      When available

These courses will be offered by Trinity professors as the need arises for various topics in theological studies. The title of the course will be determined by the content of the syllabus. Approval by the department chair and the Office of Academic Affairs is needed.

**THEO 452 Contemporary Theology (can be humanities course)**

3 credits      Spring even years

This course is a study of the trends in modern theological thought, from the eighteenth-century Enlightenment to the present, and an evaluation of this diversity in light of evangelical Christianity. The perspectives and contributions of several theologians of this period will be considered. Prerequisite: THEO 165.
